

STICKLEY®

Our Woodlands upholstery creates handsome centerpieces that anchor a room, with tall, upright profiles offset by smaller-scale arms. This Track Arm Power Recliner features a clean, modern arm style, while state-of-the-art power motion and an articulating headrest are controlled by switches discreetly hidden in the side of the seat cushion. Eight-way hand-knotted springs provide even support and comfort. Available for Express Ship in three Selvano leathers with your choice of any Maple finish.
