

APEX™ SERIES CASTER CHAIR

MADE BY  MARCO™

DESCRIPTION

The Apex series caster chair has the same modern and ergonomic design as the stacking chair with the addition of 2" swivel casters for easier mobility. The patented seat shape is contoured to provide maximum comfort throughout the day. The seat has a contoured back that is shaped and angled for sitting upright or in a slightly reclined position. The front edge of the seat is swept downward for productive, over the desk task work. The stylish shape allows freedom of movement, functional support, and a great value.

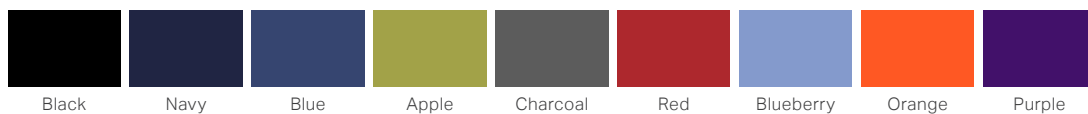

FEATURES

- Available in 16" and 18" heights
- Brackets are welded to underside of frame for added strength
- Legs are constructed of 1-1/8" tubular steel and come in chrome finish only
- 2" swivel casters allow for easy mobility to meet the needs of today's classrooms
