

Artemus Wall Clock 620514

Burnished Oak finish on select hardwoods and veneers (no distressing).

This classically inspired wall clock features a distinctive flat-top pediment with dentil molding and sculpted bottom molding.

The crisp white dial is framed by a brushed nickel-finished bezel and features Arabic numerals and a minute track printed in black with a nickel-finished hour and minute hands.

Brushed, nickel-finished pendulum.

Plain glass on the hinged front door.

A hinged door offers access to wind the clock movement.

A high precision, key-wound, Westminster chime movement plays $\frac{1}{4}$, $\frac{1}{2}$, and $\frac{3}{4}$ chimes accordingly with full chime and strike on the hour. A chime silence option is provided.

Designed and assembled in the USA.
