

Installation steps:

1. Drill holes in the ceiling and insert expansion rubber plugs into the holes.
2. Fix the mounting bracket to the junction box with screws.
3. Reinforce the mounting bracket with self-tapping screws.
4. Connect the main wire and ground wire of the lamp body to the reserved wire on the junction box.
- 5-6. Cover the ceiling plate on the mounting bracket, and then tighten the nut to fix the ceiling plate.
7. Press the adjustable flex-nut to adjust the height of the hanging wire.
