

# Assembly Instructions

## **READ THIS MANUAL**

Do not use this product until you read and understand the instructions in this manual.

KEEP THIS MANUAL FOR FUTURE REFERENCE.

**TIPS: Some accessories are placed under the seat base.**

This manual is intended for installation and use. The pattern should be subject to the product you receive.

## WARNING:

This unit is intended for relaxation purposes only and should not be used in an attempt to treat any medical ailment.

Please note that should you have any medical condition, be under a health professional or physicians care. Or should you have a medical device fitted (eg. Pacemaker etc.), you must consult a qualified medical practitioner before using this massage system.

- Do not massage any part of the body that is painful, swollen, inflamed or covered with skin irritation, consult your medical practitioner before use.
- The massage system should not be used during pregnancy.
- Do not allow children to play on the chair or leave them unsupervised in the same room with the chair.
- Never operate this appliance if it has a damaged cord or plug. Contact your supplying retailer.
- Do not interfere with any part of the massage system or attempt to dismantle or repair the unit in any way.

## DANGER

- Disconnect the electrical plug from the wall outlet before cleaning, moving, servicing or when it's not in use for an extended period of time.
- Do not use this product if it is wet, in water, around water or any liquid.
- To prevent suffocation, keep plastic bags away from children.
- Plug directly into a wall outlet. Do not use an extension cord, adapter or surge protector.

Connect **P** with the cord from seat base.

**24.** Align B7 and D7 and connect them. Press once RST button of the hand control to restore the chair state.

Hand Control

**25.** Insert the metal bolts of the armrests to the seat as shown below. Ensure that they are correctly installed in place.

**26.** Insert backrest metal bolts to the seat as shown below. Ensuring it is correctly in place.

**\*Tips:** First stick the Velcro between the backrest and the seat, and then insert the backrest into the seat.

**27.** Insert metal bolts of parts **C** (both) to the backrest. Ensure they are installed correctly.

- 28.** Unstick the Velcro of the seat base **D** and the backrest **A**.  
Connect the cables.

The method of connecting the cables.

Connect ①② with wires of same color from the seat base.

Connect ③ with Power cord **H** and ④ with Remote control **G**.

- 29.** Cover the back fabric.  
Assembly is complete.

# RECLINE & MASSAGE OPERATING

## A. Recline & Legrest

### 1. Power on.

Plug the power cord into a power source.

### 2. Recline the backrest and raise the legrest.

Press once the Recline & Legrest button to recline and lift the legrest to the desired position.

### 3. Press the RST button once to restore the chair state.

### 4. Note: Press the Recline & Legrest or RST button once. Do not hold it all the time to avoid damage to the recliner motor.

**Note:** DO NOT place objects under the power recliner, the footrest when the power recliner is in the fully reclined position. Make sure the area is clear of obstructions, including pets and kids during operation.

# B. Massage operation

*INTENSITY*: Change intensity (HIGH or LOW) during all modes.

We recommend that the unit be used only for a few minutes initially, to allow your body to get used to the massage sensation. Gradually increase the length of time you use the massage function, over the first few periods of use. Should you experience any adverse reactions, stop using immediately and consult your medical practitioner.

## PROPER USAGE

### Steps to safely stand up from your Recliner Chair

1. Store the remote control **G** and the hand control **P** safely in the seat's side pocket
2. Plant feet firmly on the ground
3. Evenly distribute weight on both arms of the chair
4. Slowly stand up from **closed** position

\*Fabric will fade or discolor in direct sunlight. Minimize exposure to direct sunlight to extend the life of your furniture.

## C. Ambient Light

1. Press the **M** light switch once to turn on the ambient light (blue) under the footrest.
2. Press the **M** light switch once again to turn off the ambient light.

## USAGE

45cm  
Leave  
**enough space**  
for reclining back

The recliner should be placed 45cm away from the wall, and the reclining function can be used normally.

As all action products contain moving parts, handle all items with care.

\* Only move the recliner when it's in the "initial position". Never attempt to move the recliner when it's in any reclining position. Always use the armrests to move the recliner. DO NOT move the backrest or backrest ear parts.

## IMPROPER USAGE

**DO NOT** stand up when the footrest is in the upright position.

**DO NOT** stand up from your recliner chair with uneven weight.

**DO NOT** stand up from your Recliner chair with only one arm.

Dear Customer,

Thank you for choosing us.

For safe use, please read this manual before installation, and keep it for after use. Please feel free to email us if you have any concerns about our products. We'll reply within 24 hours.

The following are the things you need to pay attention to so that we can provide you with services when you encounter problems during the installation and use of the product:

- When the product is damaged due to courier problems, please contact our customer service in time for verification.
- We will rectify the issue as soon as possible.

We offer product explanations, installation instructions, product maintenance and maintenance methods.

If you feel satisfied with our product and service,

- Please set our store as your favorites;
- Please recommend our products to your friends;
- Please and leave us your purchase experience in our store or product page.

Feedback or reviews from you will greatly help us offer better services to players around the world.

Best regards!

Avoid using sharp objects such as a knife to cut open packing as you may accidentally damage the upholstery.

If you have any questions about the product, please contact us through the contact information on the left. We will try our best to solve your problem within 24H (except weekends and holidays).
