

Ovente Slow Cooker Ceramic Crockpot 3.5 Liters (SLO35ABR)

Key Features

PRACTICAL – It features 3 heat cooking settings (warm, low, and high) to suit all your personal needs. Cook on low to have a hot meal ready right after work, choose high to cook quickly, and choose warm to keep dips warm for parties.

AMAZING VERSATILITY – This slow cooker is fantastic at roasting chicken as well as making hearty stews, oatmeal, ratatouille, pulled pork, chili, sloppy joes, hummus, melty dips, soups, lasagna, and even peach cobblers—all while you're at work.

IDEAL SIZE & CAPACITY – 3.5 Liters (3.7 Quarts) serves 4+ people. It also doesn't take up too much room in the kitchen compared to bigger slow cookers used for large gatherings, so it's perfect for everyday use.

MODERN, SLEEK & EASY-TO-CLEAN – Black onyx accents highlight the brushed stainless steel body in a flattering round design. Its removable stoneware insert and heat-tempered glass lid are both dishwasher-safe.

SAFE – Comes equipped with cool-touch handles for easy serving, and the indicator light stays on while it's functioning to ensure there are absolutely no mishaps.
