PRODUCT MANUAL

NOTICE:

If your package is missing parts or you are having issues with install, please call us directly. Our customer service team will address any questions or concerns you may have. Have this manual open and ready for reference.

SAFETY

To reduce risk of injury when installing & using the chair, follow these precautions:

- Read all of these instructions before installing and using your salon bed.
- It is helpful to have 2 people assemble and turn the chair upright after installing.
- Do not over-extend the bed and the person's weight cannot exceed 150kg, creating the risk of falls or tipping the bed, and its occupant over, resulting in injury

OTHER ITEMS YOU WILL NEED (not included)

- Hand Tools: Wrench, Rubber Mallet, Screwdriver (Phillips), Sturdy box
