NOTE:Please refer to the actual product for color and shape. The attached pictures in the installation steps are only for reference of installation steps and methods.

STEP 1

Remove the lamp head ring, connect the hanging wire to the lampshade and screw it back into the lamp head ring to fix it.

STEP 2

The other end of the hanging wire is connected to the ceiling canopy.

STEP 3

Remove the mounting bracket from the ceiling canopy.

Mark the drilling position on ceiling with the help of the mounting bracket.

Drill holes on the marks and stick the expansion anchors into the holes.
Mount the mounting bracket on the ceiling.

STEP 4

Hold the fixture close to ceiling.

Connect the wires of the lamp body to the reserved wires at home.

Just connect the lines of the same color together.

STEP 5

Install the ceiling canopy to the mounting bracket on the ceiling and fix it with screws.

STEP 6

Install light bulb (Self-provided).

Your fixture is now assembled and ready to use.
