Important - Please read these instructions fully before starting assembly

# Safety and Care Advice

**Important** - Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on next pages.
- Remove all fittings from the plastic bags and separate them into groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to lay out the parts before starting.
- Do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft, level surface to avoid damaging the unit or your floor.
- We do not recommend the use of power drill/drivers for inserting screws, as this could damage the unit. Only use hand screwdrivers.
- Dispose of all packaging carefully and responsibly.
- Warning : Do not over tighten the handle screw that way break the mirror.

## Care and Maintenance

- Please clean using cloth with glass cleaner, do not use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

• **Assemble all parts and bolts loosely during assembly, only once the product is complete should you fully tighten the bolts**

• Regularly check and ensure That all bolts and fittings are tightened properly.

**⚠ WARNING**

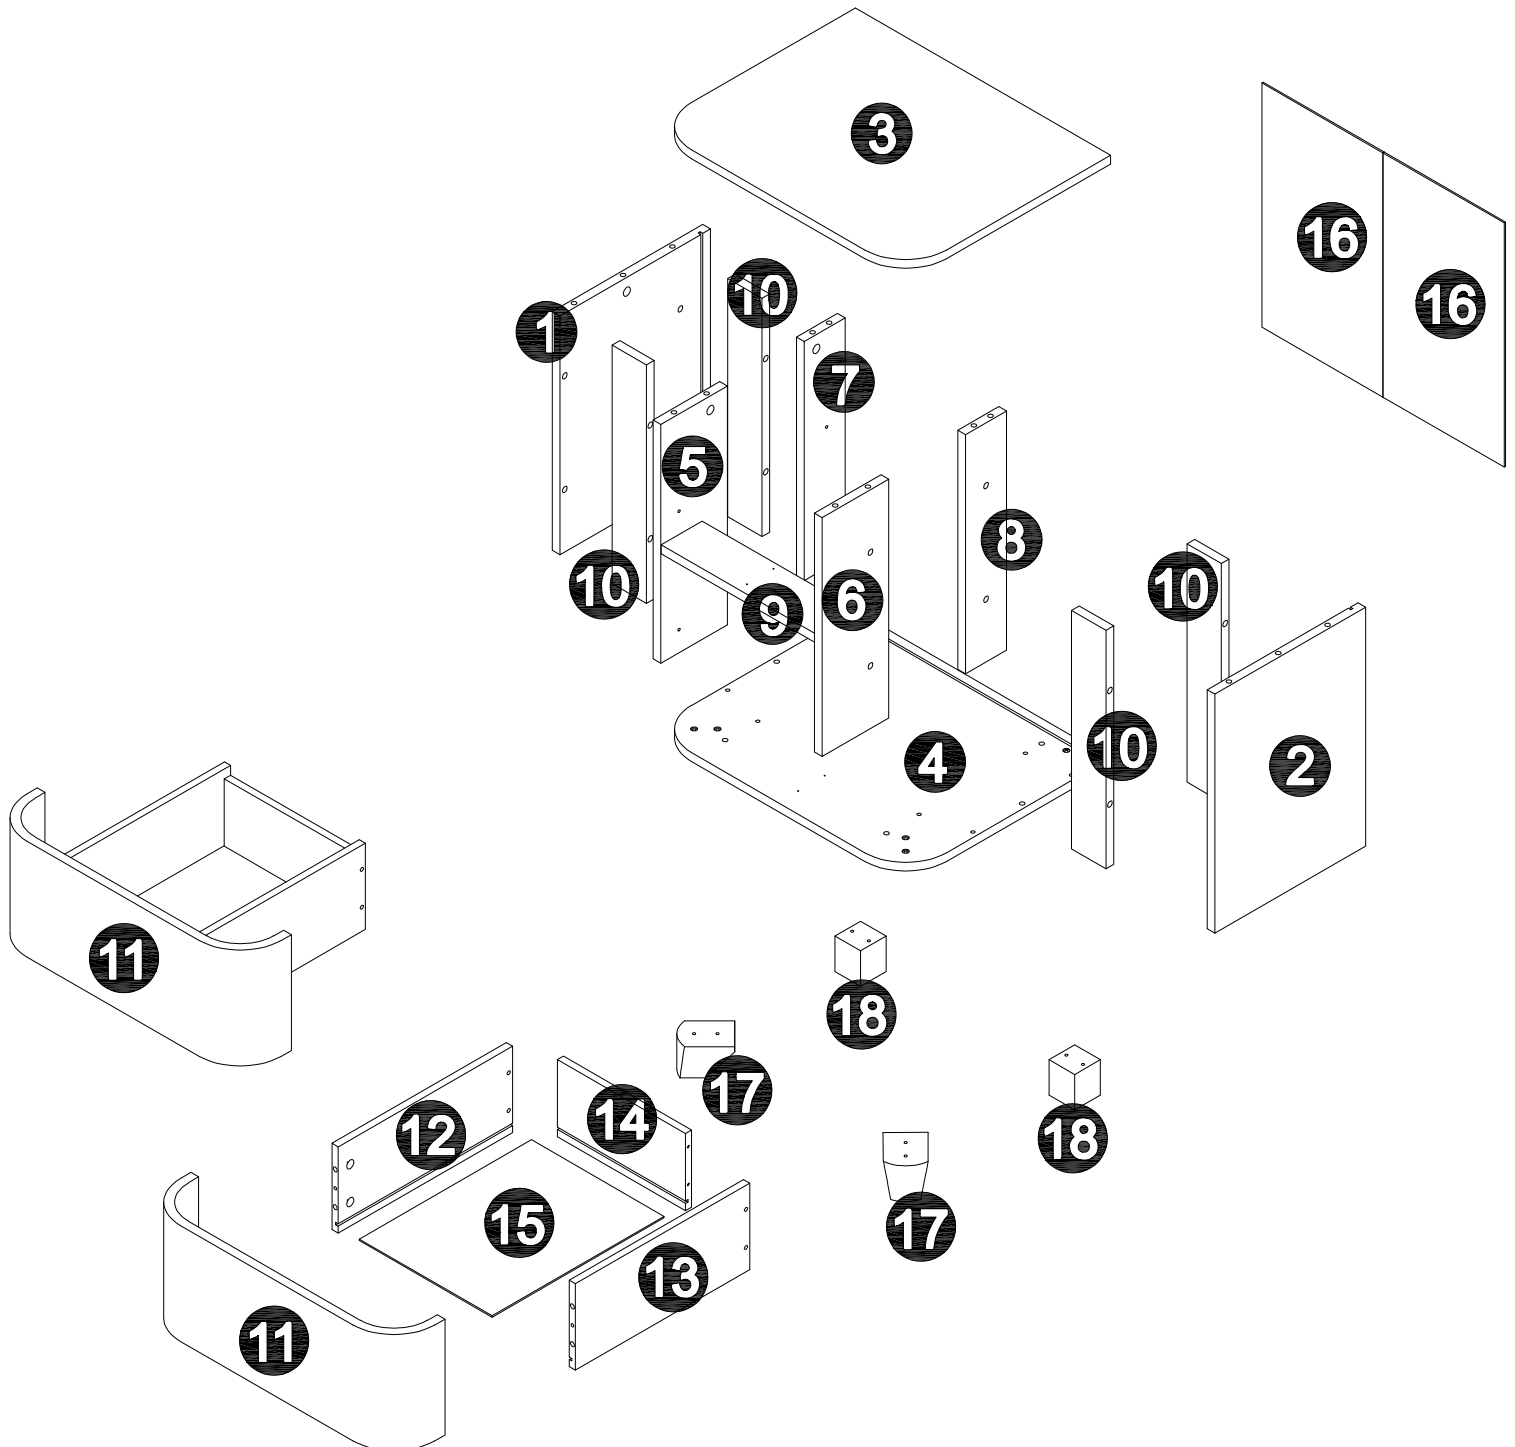

**Children have died from furniture tip-over. To reduce the risk of furniture tip-over:**

- ALWAYS install anti-tip device provided.
- NEVER put a TV on this product.
- NEVER allow children to stand, climb, or hang on any drawers, doors, or shelves.
- NEVER open more than one drawer at a time.
- Place heaviest items in the lowest drawers.

*This is a permanent label.  
Do not remove!*

# Components - Panels

Please check that you have all the components listed below before constructing your items.

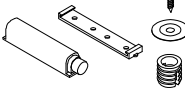

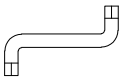

| Part No | Description         | Qty |
|---------|---------------------|-----|
| 1       | Side Panel (Left)   | 1   |
| 2       | Side Panel (Right)  | 1   |
| 3       | Top Panel           | 1   |
| 4       | Bottom Panel        | 1   |
| 5       | Front Rail (Left)   | 1   |
| 6       | Front Rail (Right)  | 1   |
| 7       | Back Rail (Left)    | 1   |
| 8       | Back Rail (Right)   | 1   |
| 9       | Front Support Panel | 1   |
| 10      | Side Support Panel  | 4   |
| 11      | Drawer Front        | 2   |
| 12      | Drawer Side (Left)  | 2   |
| 13      | Drawer Side (Right) | 2   |
| 14      | Drawer Back         | 2   |
| 15      | Drawer bottom       | 2   |
| 16      | Back Panel          | 2   |
| 17      | Wooden Leg (Front)  | 2   |
| 18      | Wooden Leg (Rear)   | 2   |

# Components - Fixings

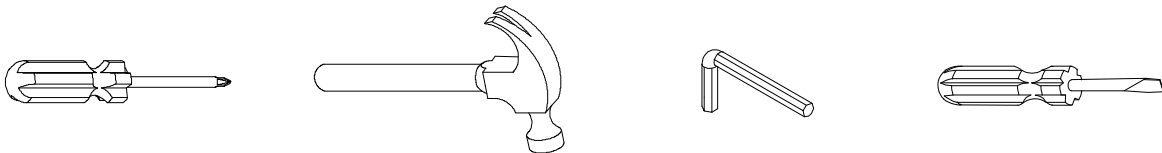

Please check that you have all the components listed below before constructing your items.

**Note:** The quantities below are the correct amount to complete the assembly. In some cases more fittings may be supplied than are required.

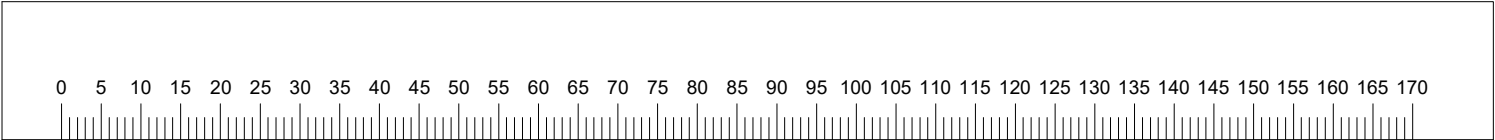

\*Hardware packed separately according to the code.

|     |                                                                                     |     |                                                                                     |                   |                                                                                      |                   |                                                                                      |

## Tools Required

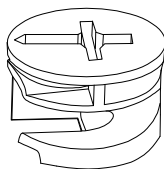

## Ruler - Use this to measure your screws (mm)

# Using Camlocks

## SPECIAL TIPS FOR FITTING CAM-LOCKS AND CAM-BOLTS

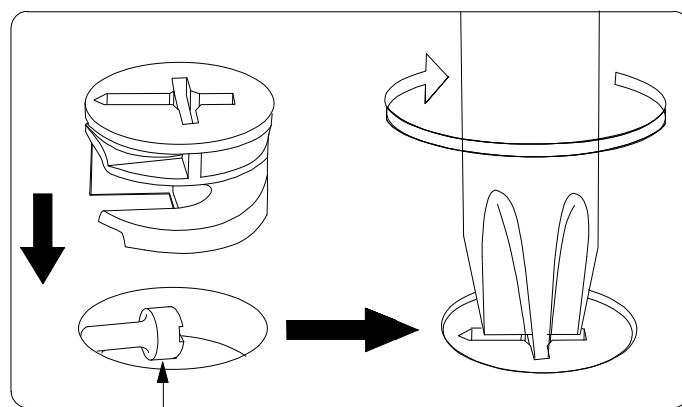

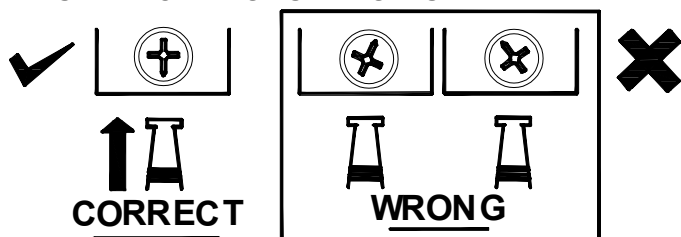

### CAM-LOCK

Align with long point of cross

#### WHEN FITTING CAMS

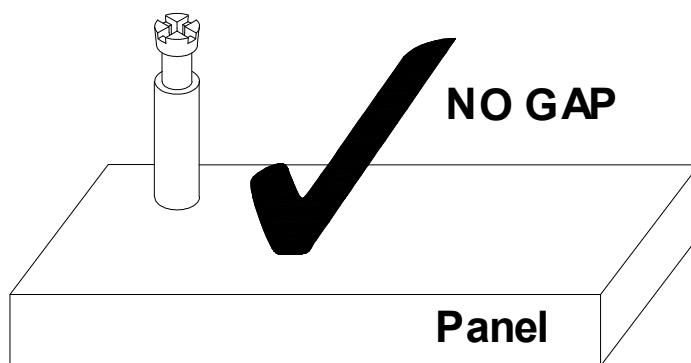

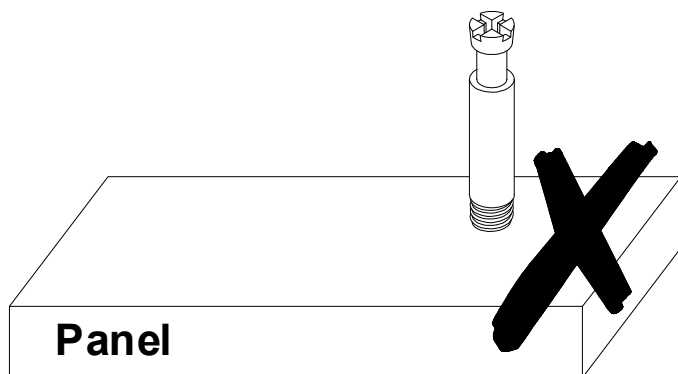

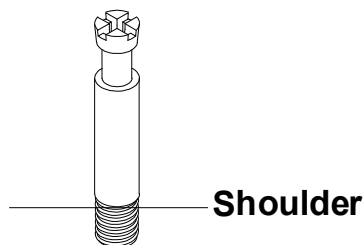

ENSURE STARTING POSITION IS CORRECT  
BEFORE YOU INSERT CONNECTING CAM-BOLTS  
TURN CLOCKWISE UNTIL SECURE

Lock head needs to be in centre

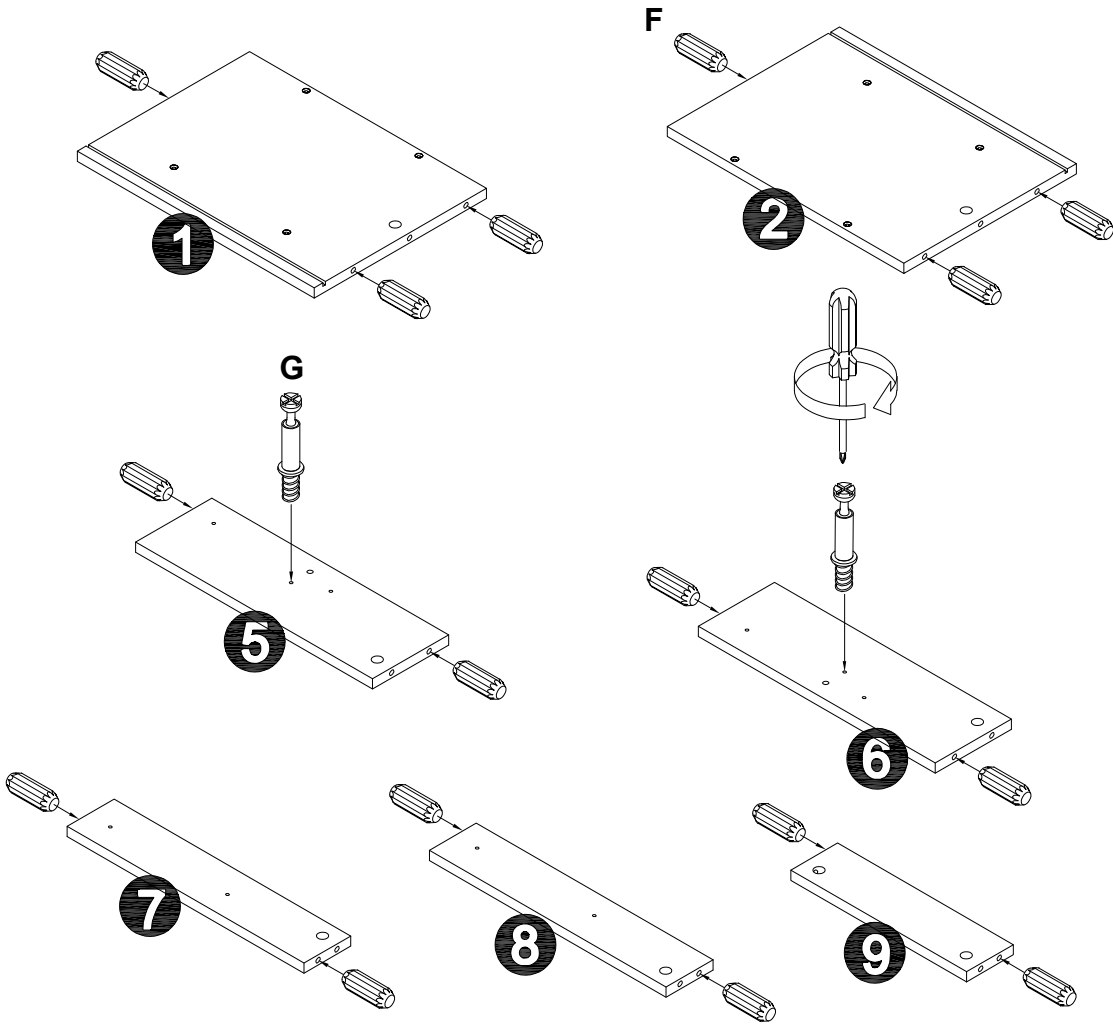

### CAM-BOLT

Tighten until shoulder is flush  
with panel. Do not overtighten  
or undertighten (see example  
below)

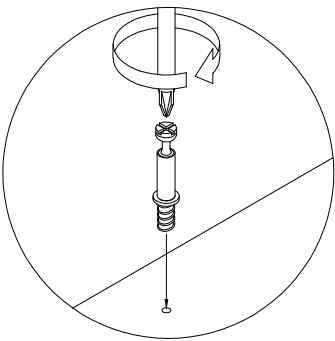

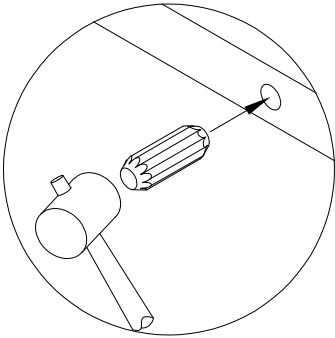

# Assembly Instructions

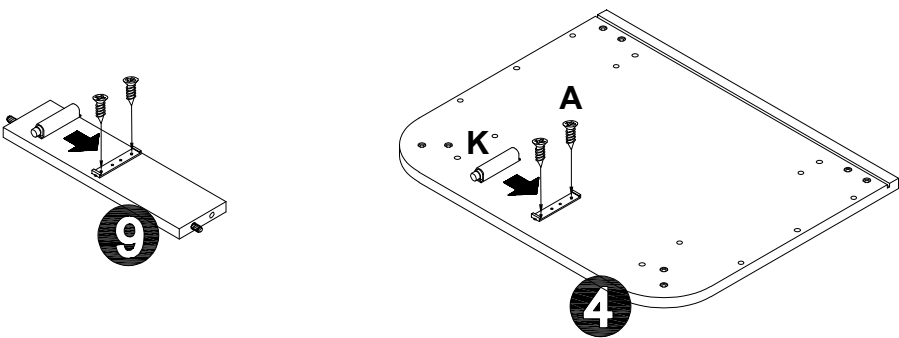

## Step 1

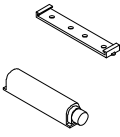

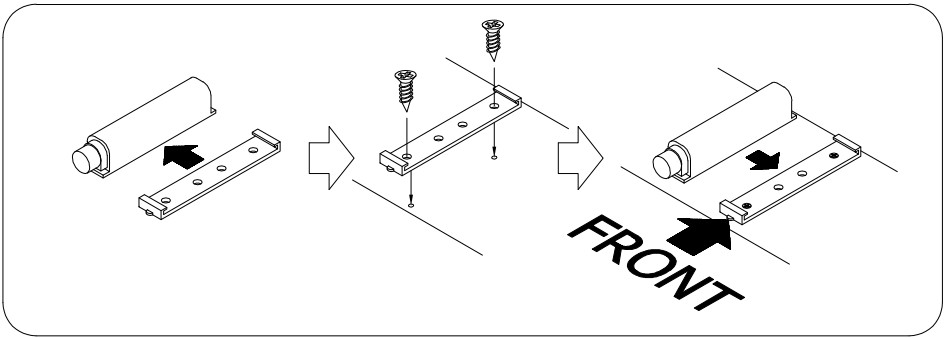

|                                                                                     |                                                                                     |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|  |  |
| <b>F X 16</b>                                                                       | <b>G X 2</b>                                                                        |

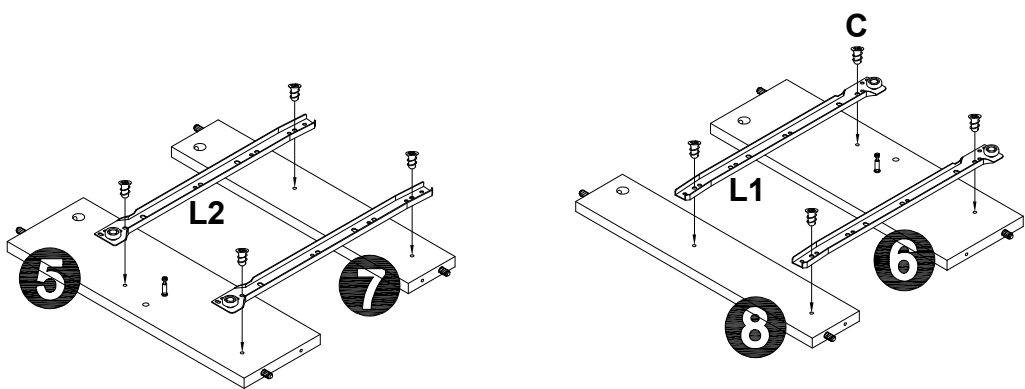

## Step 2

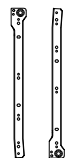

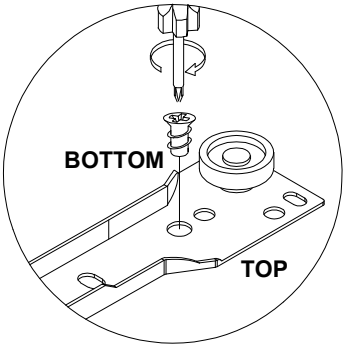

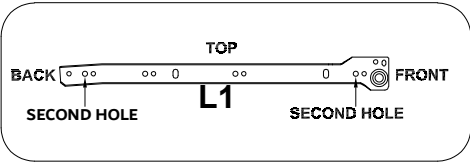

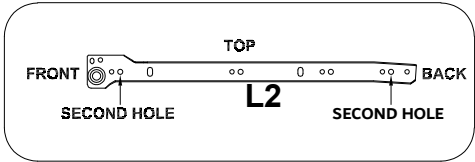

|                                                                                       |                                                                                       |
|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
|  |  |
| <b>A X 4</b>                                                                          | <b>K X 2SETS</b>                                                                      |

Step 3

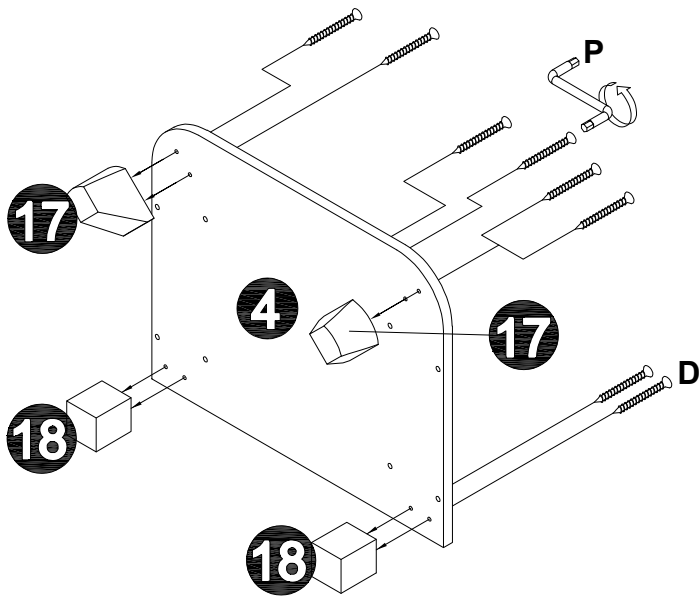

|                                                                                     |                                                                                     |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|  |  |
| C X 8                                                                               | L1 & L2<br>X 2SETS                                                                  |

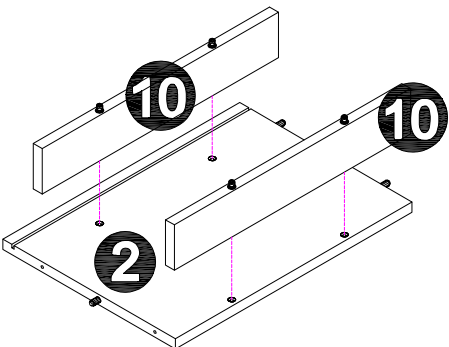

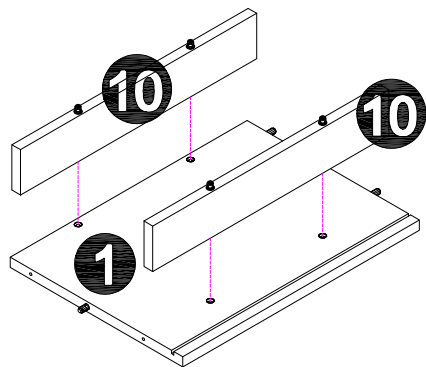

PLEASE ENSURE TO FIX THE SCREWS AS PER POINTED HOLES INSTRUCTION TO AVOID DISTORTION OF OVERALL LOOK OF PRODUCTS.

Step 4

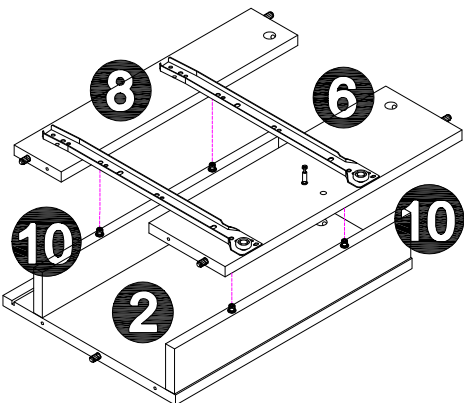

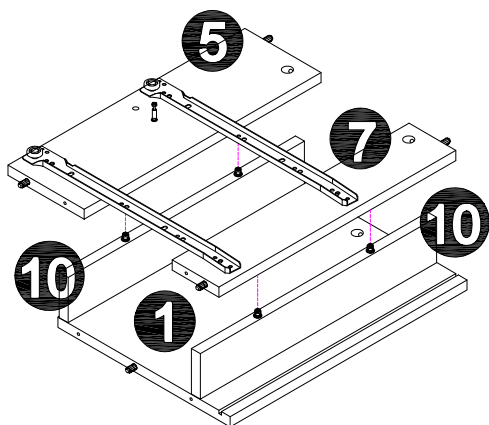

|                                                                                       |                                                                                       |

### Note for push-open mechanism adjustment

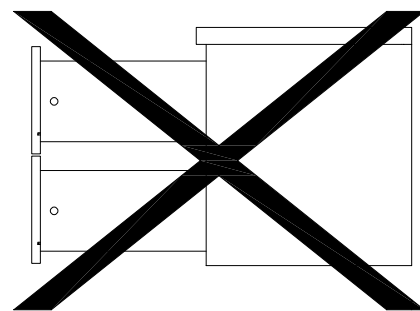

Step 18

|                                                                                     |                                                                                     |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|  |  |
| <b>B X 4</b>                                                                        | <b>Q X 4</b>                                                                        |

## Step 19

**WALL**

CAUTION :  
PLEASE DO NOT FULLY  
OPEN DRAWERS  
SIMULTANEOUSLY AS IT  
WILL CAUSE THE DRAWER  
CHEST TO FALL DOWN.
