SAFETY NOTES

⚠ WARNING: To prevent product failure, property damage, and personal injury, please follow these guidelines:

⚠ The shower is designed exclusively for bathing, personal hygiene, and body cleaning purposes.

⚠ The shower arm is intended solely to support the showerhead. Do not hang any additional items from the shower arm.

⚠ Regularly clean your CRANACH product as needed to prevent the buildup of mineral scale and/or soap residue.

⚠ Please refer to the Care And Cleaning when choosing a cleaning agent for this product. Avoid using cleaning products that contain chlorine bleach, lye, hydrochloric acid, formic acid, acetic acid, or abrasive materials.

⚠ FAILURE TO ADHERE TO THESE INSTRUCTIONS MAY LEAD TO PRODUCT DAMAGE, MALFUNCTION, AND VOIDING OF THE WARRANTY.

INSTALLATION CONSIDERATIONS

CRANACH recommends that this unit be installed by a licensed professional plumber.

Before starting the installation, please read these instructions carefully and make sure you have all the required tools and materials on hand.

To avoid the risk of scalding, ensure that the maximum output temperature of the shower mixing valve does not exceed 120°F (49°C).

RECOMMENDED TOOLS TO PREPARE

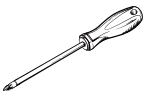

Safety Glasses

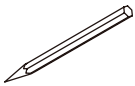

Teflon Tape

Level

Hammer

Power Drill

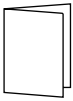

Screwdriver

Pencil

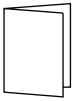

Adjustable Wrench

PARTS IN THE BOX

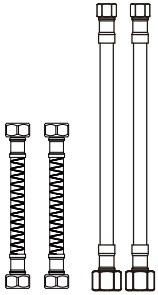

Read over these instructions thoroughly before beginning installation. Make sure that you have all tools and supplies needed to complete the installation.

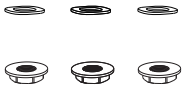

Installation Manual

Specification

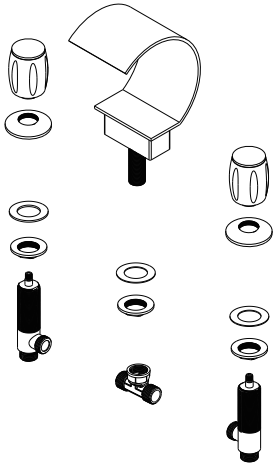

Connection Hose and Inlet Hoses

Tailpiece Nut Assembly

Hose Adapter Change G9/16 to G1/2

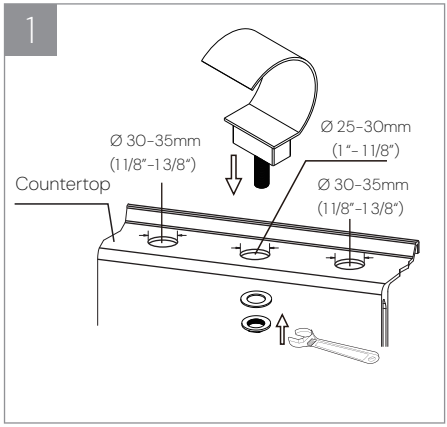

Faucet Body

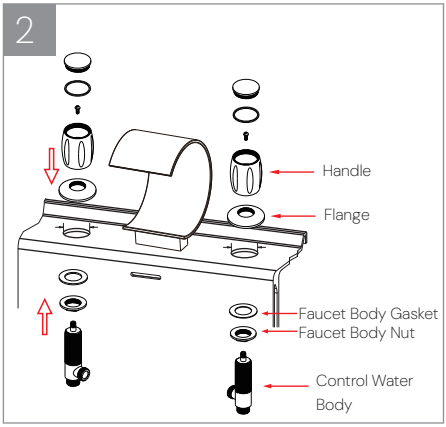

Pop-Up Drain

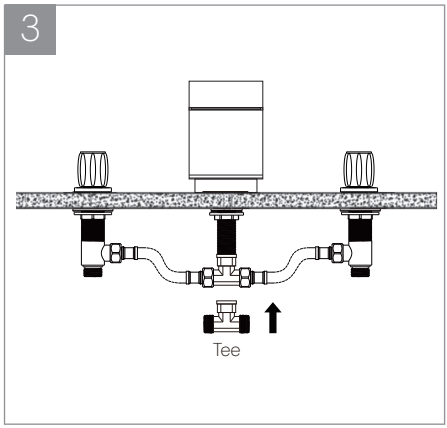

INSTALLATION

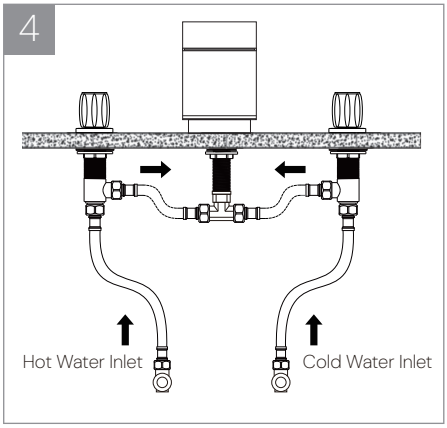

1.1 The countertop cutout dimensions are as shown in the diagram.
1.2 Place the faucet body through the pre-drilled countertop hole. Install faucet body gasket and mounting nut in sequence and tighten the nut with a wrench.

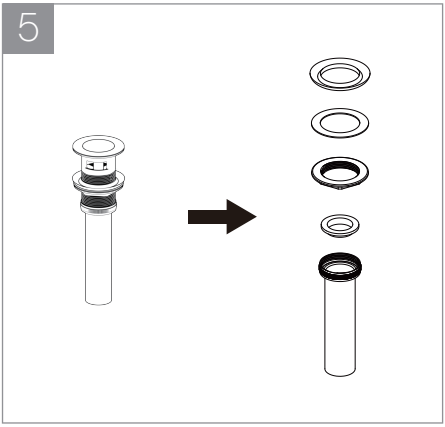

2.1 Separate the control water body from the handle. Position the handle and flange above the countertop and install the control water body below.
2.2 Fit the handle with the O-ring, then mount the handle and flange onto the control water body and secure it with screws.
2.3 Finally, use a screwdriver to tighten the gasket and nut on the faucet body.

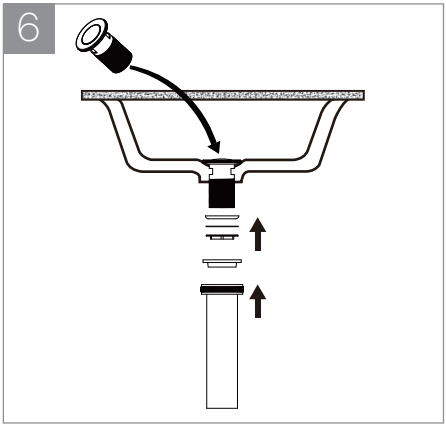

3. Connect one end of the inlet hose to the valve body, and the other end to the tee fitting.

4.1 Connect one end of the supply hoses to the bottom inlets of the hot and cold valve bodies. Attach the other ends to the corresponding hot and cold angle valves, as illustrated above.
4.2 Turn on the angle valves and operate the handle to check water flow. Ensure the water runs smoothly and inspect all connection points for leaks.

5. Disassemble the drain from the bottom and remove all components as shown.

6. Insert the drain into the basin hole, then from underneath, attach the rubber gasket, washer, and brass sleeve. Tighten the sleeve by turning it right, but do not over-tighten.

WARRANTY

Parts and Finishes:
CRANACH warrants all parts (excluding electronic components and batteries) and finishes of this product, purchased from authorized CRANACH sellers, to be free from defects in material and workmanship.

- Residential Use:
  Lifetime warranty, for as long as the original consumer purchaser owns the home in which the product is installed.
- Commercial or Multi-Family Use:
  For a period of ten (10) years from the date the product is received by the original purchaser or their authorized representative.

Electronic Components:
If applicable, electronic components (excluding batteries) of CRANACH products purchased from cranachhome.com or authorized CRANACH sellers are warranted to the original consumer purchaser to be free from defects in material and workmanship.

- Residential Use:
  For a period of five (5) years from the date the product is received.
- Commercial or Multi-Family Use:
  For a period of one (1) year from the date the product is received.

What We Will Do:
During the applicable warranty period, if a defect is found in material or workmanship under normal installation, use, and service, CRANACH will provide replacement parts free of charge. Before returning your product to CRANACH, please visit our website or contact our customer service team (via phone or email) for troubleshooting assistance.

Exclusions & Limitations:
This warranty does not cover:

- Damage caused by abuse, misuse, improper care, lack of maintenance, or improper installation.
- Damage from freezing water or excessive water pressure.
- Damage from abrasive cleaning products or use in violation of applicable codes or regulations.
- Labor charges incurred during installation, removal, or repair of the product.
- Incidental or consequential damages.
