

Technical drawing of a door with the following dimensions and features:

- Overall width: 38"
- Overall height: 38"
- Top radius: $R35\frac{3}{4}"$
- Inner width (excluding frame): 31"
- Inner height (excluding frame): 31"
- Frame thickness (left and right): $3\frac{1}{2}"$
- Frame thickness (top and bottom): $3\frac{1}{2}"$
- Inner height (excluding top frame): $32\frac{7}{16}"$

A vertical rectangular plate is shown. The width is labeled as 1" at the top and bottom. The height is labeled as 38" on the right side. The plate is divided into two sections: a light gray section at the top and a white section at the bottom.

A line drawing of a window with a semi-circular top and horizontal blinds. The window is shown from a slightly angled perspective, with the blinds partially open. The frame is simple, and the blinds are represented by several horizontal lines.
