## IMPORTANT SAFETY INFORMATION

Please carefully read the following instructions and caution warnings before assembling the product.

Following this guide will ensure that you install, use and maintain the product properly.

Please keep this installation and user manual/instructions for future reference in case you need to disassemble the product.

Never allow children to climb onto the product. Ensure that you have special safety measures when children are around on their own.

Be sure to check that all parts of the product are intact after you open the package.

Do not assemble if you notice serious damage such as cracks or bends.

During installation, please use work gloves for hand safety.

Please assemble the unit on carpeted floor or the flat cardboard box to avoid scratching the surface or your floor while assembling on the floor.

To assemble, please use the complimentary installation tools (Phillips screwdriver). Pay more attention to the direction of components at each steps.

It is recommended that two people work together to assemble the product.

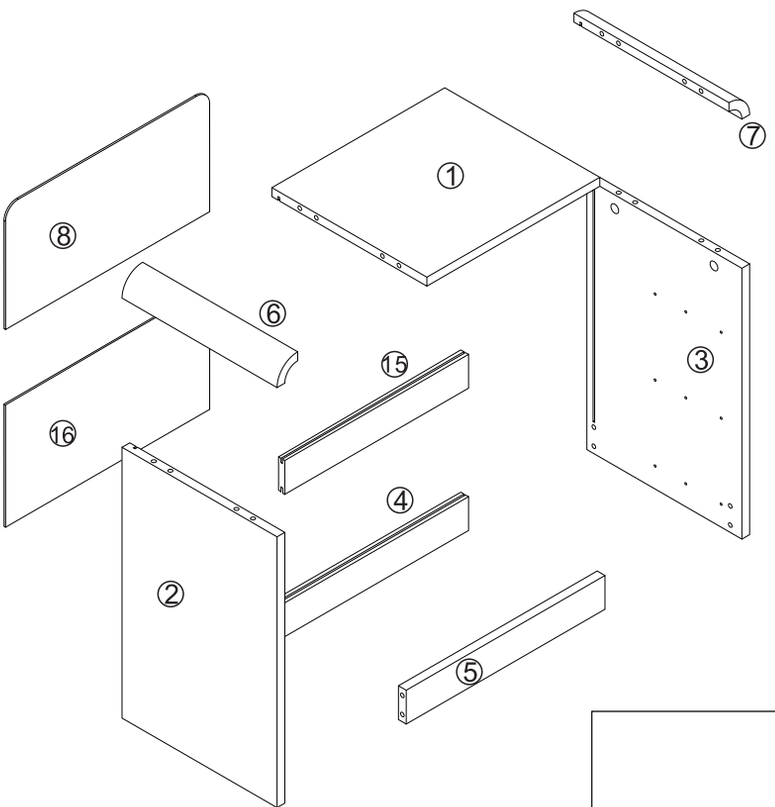

## RETURN POLICY

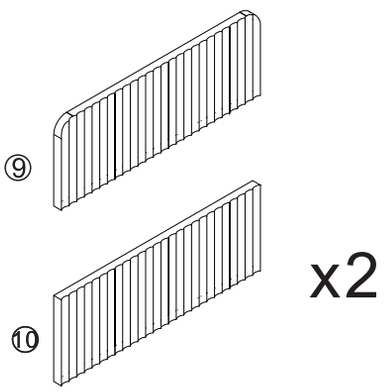

Please contact us directly within 30 days after receiving.
Please ensure the product is in a good condition with the original box and all original certificates of purchase, manuals, and accessories attached.

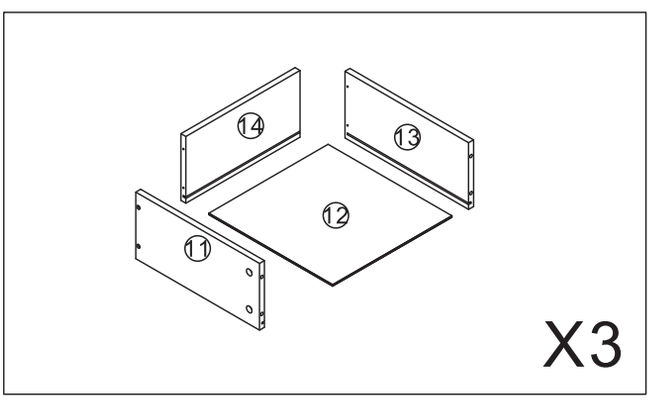

## HOW TO MAINTAIN YOUR PRODUCT:

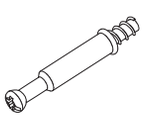

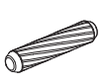

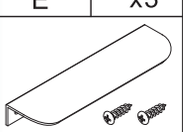

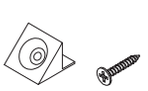

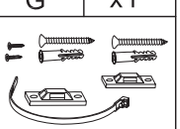

- Check the screws of the product are not loose from regular use.
- Do not use sharp instruments, rubbing alcohol, corrosive chemicals, or abrasive cleaners to clean the product.
- Do not keep the product in a damp environment for a long period of time.
  The damp environment may cause the iron components to rust and the plates to bulge and crack.
