

Anwa Sofa

111406

The refined profile of the Anwa Sofa is characterized by its clean lines and organic accents. Featuring comfortable seating upholstered in polo club muslin performance fabric. A rustic oak wood base with exposed wooden legs grounds the look. Performance fabric is moisture repellent, durable and easy to clean. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
