

# Assembly Instructions for Palm tree

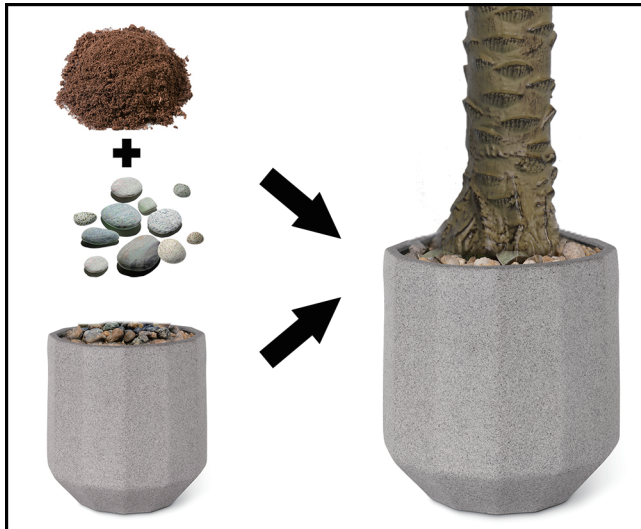

Step 1: Open the box and untie the securing ropes. Take out the planter and plant from the box.

Step 2: To splice the plants together, locate the top and bottom posts with the corresponding markings.

Step 3: Adjust the branches to fluff the trunk and leaves to the desired fullness.

Step 4: If you're worried about the tree tipping over, you can either switch to a larger pot to increase its weight or plant it in soil. (Note: This product does not include rocks, soil, or large planters.)

Step 5: You can buy moss according to your personal preference and spread it evenly on the flower pot to increase the beauty of the plant. (Note: The package does not contain moss grass).

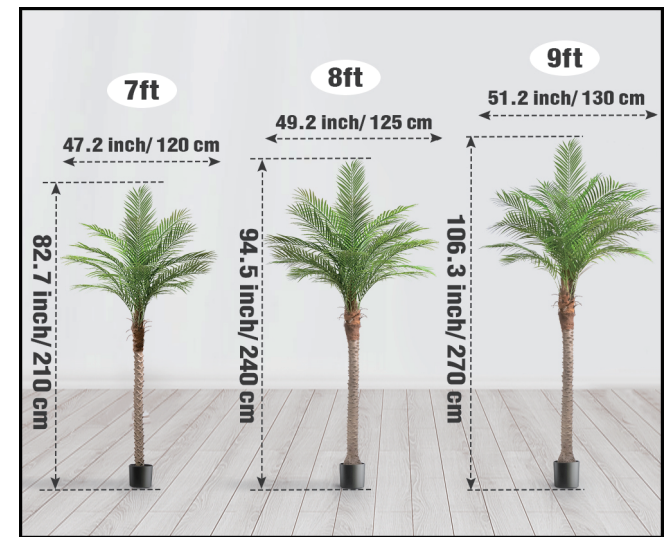

Step 6: Decorate any space with this beautiful tree.

# Care Instructions

1. For small leaves, use a feather duster.
2. For large leaves, use a soft cloth.
3. Do not clean or handle roughly.
4. The fruits and leaves are hand-glued to the artificial tree. If a few fruits or leaves fall off due to improper handling, please reattach them with glue.
5. There is no need to water, fertilize, or weed artificial trees.

Step 7: Height is defined as the highest point from the bottom of the pot to the straightened foliage before finishing the shape of the tree

# Warranty Service

Vitalismo guarantees to the original purchaser that this product is free from significant defects in materials or workmanship for one year from the date of purchase. This warranty is subject to the following limitations:

1. The warranty is valid only when the product is used under normal conditions and does not cover damage caused by misuse and abuse, including but not limited to damage from excessive exposure to sunlight or humid environments, and damage from rough cleaning during routine care, or any other reason beyond defects in materials and workmanship. If Vitalismo determines the product is defective, the warranty only covers the repair or replacement of the defective product.
2. Vitalismo will make the final warranty decision, which may require inspection and/or photographs of the product to clearly display the defect.
3. The warranty for any repaired or replaced equipment is only valid from the original purchase date. All warranty claims must be accompanied by the original purchase receipt or order details.
