Note:

- (1) The number after "+" sign indicates the extra piece(s).
- (2) How to use the 2-in-1 screwdriver with interchangeable Phillips and flat head bits:
 - (a) Insert the desired bit end (Phillips or flat head) into the handle and push firmly until it clicks into place. To remove the bit, push and hold the spring-loaded ring on the handle towards the base. This will release the bit from the handle.
 - (b) While still depressing the ring, pull the bit out of the handle. To replace with the opposite bit end, insert it into the handle until it clicks into the locking position. Make sure the bit is fully inserted before use.
- (3) **PRE-ASSEMBLY: Place a blanket or other protective padding on the floor in the assembly area. This padding will prevent scratching or damage to panels, boards, and other components when placing them on the floor during assembly.**

Return Policy

Length of return period:

Items can be returned within 30 days of receipt of shipment. Who is responsible for the return shipping fee?

We will cover the return shipping fees if:

1. The item received is damaged or defective.
2. The wrong item was shipped to you.
3. The item received is materially different from what was described on the product page.
If the return is for any other reason, the customer will be responsible for the return shipping fees.

However, we always hope to work with you to find a better solution instead of a return. Please don't hesitate to contact us.

If the return is due to reasons other than the ones listed above, the customer will be responsible for the return shipping fees, if:

1. You are not satisfied with the product(s) after receiving the box(es).
2. You no longer need the product(s), but you have already received the box(es).
3. You purchased the product(s) by mistake, but you have already received the box(es).
4. Before FedEx picks up the package, please make sure that everything is returned to the original packaging and that the prior opening will not affect the reselling of the product.

You can try to get Amazon prepaid labels for UPS express return. Alternatively, we can provide prepaid shipping labels after you provide photos of the package before and after repackaging. Just stick the label on the box and call FedEx to pick it up.

When will I be refunded?

The refund will be issued once the goods have been received and processed at our warehouse. If you have any questions, please don't hesitate to contact us, and we will work with you to find a solution that ensures your satisfaction.
