

Disclaimer

At Nova Living, a brand by Nova Elegance LLC, we are committed to using only high-quality and safe materials in all our products. Our Medium Density Fiberboard (MDF) is TSCA Title VI certified, ensuring compliance with the U.S. Environmental Protection Agency (EPA) standards for formaldehyde emissions.

This certification guarantees that the MDF used in our products meets strict environmental and safety requirements, making it a safe and reliable choice for your home. MDF also allows for smooth finish and consistent strength, making it ideal for modern furniture and décor.

Thank you for choosing Nova Living – thoughtfully designed, responsibly made.

Team,
