Care and Maintenance

Our steel components for garden accessories and furniture are treated with rust inhibiting paint that protects it from rusting. However, due to the nature of steel, surface oxidation (rusting) will occur once these protective coatings are scratched. This is not a defect and thus not covered by the warranty.

To minimize this condition, we recommend care when assembling & handling the product to prevent scratching the paint. Should any scratching or damage occur, we recommend immediate touch-up with rust inhibiting paint.

Surface rust can also be easily removed with a very light application of common cooking oil. If surface oxidation (rusting) occurs and if no measure is taken to prevent this, the oxidation may start dripping on to deck or patio and caused damaging stains, which may be difficult to remove. This can be prevented if the above-mentioned measures are taken to keep the product from oxidizing.

Use damp cloth to wipe off the stains as quickly as possible.

If necessary, wash with a mild solution of soap and water; rinse thoroughly and dry completely.

Periodically check and ensure that all bolts are well-tighten during use

Limited Manufacturer's Warranty

Sunjoy Group warrants to the original purchaser that this item is free from defects in workmanship and materials for a period of **1 year** from the date of purchase, provided the item was factory-sealed at the time of purchase and is maintained with care and used only for personal, residential purposes. Should any manufacturing defect arise within this warranty period, Sunjoy Group will replace (at our option) any defective merchandise or parts upon proof of purchase; however, transportation and delivery costs, as well as payments to a third party for assembly or disassembly of the item, remain the responsibility of the purchaser. A purchaser of an "open box," previously-returned, or "clearance" item, as well as original purchasers outside of the warranty period, may obtain replacement parts from Sunjoy Group for products in current production, at nominal cost.

Exclusions

Items used for commercial, contract, or other non-residential purposes, or items damaged due to acts of nature, vandalism, misuse, or improper assembly are not covered. Corrosion or rusting of hardware is not covered. Proof of purchase (dated register receipt) is required for warranty claims. Warranty is to the original purchaser and is non-transferable. Any replacement of warranted items will be in the original style and color, or a similar style and color if the original is unavailable or has been discontinued. As some states do not allow exclusions or limitations on an implied warranty, the above exclusions and limitations may not apply. This warranty gives you specific rights, and you may also have other rights, which vary from state to state.

Care and Maintenance

Les composants en acier de nos meubles et accessoires de jardin sont traités avec une peinture antirouille qui les protège. Toutefois, en raison de la nature de l'acier, une oxydation de la surface (rouille) se produira si ces revêtements protecteurs sont égratignés. La garantie ne couvre pas ce phénomène puisqu'il ne s'agit pas d'un défaut.

Afin de minimiser cette situation, nous recommandons d'être prudent lors de l'assemblage et de la manipulation du produit afin d'éviter d'égratigner la peinture. En cas d'égratignure ou de dommage, nous recommandons d'effectuer immédiatement une retouche avec une peinture antirouille.

La rouille de surface peut facilement être retirée à l'aide d'une petite quantité d'huile de cuisson. Si une oxydation (rouille) de la surface se produit et qu'aucune mesure n'est prise pour corriger la situation, la rouille pourrait couler sur la terrasse et causer des taches dommageables qui peuvent être difficiles à enlever. Cela peut être évité si les mesures mentionnées ci-dessus sont prises pour empêcher l'oxydation du produit.

Utilisez un linge humide pour essuyer les taches le plus rapidement possible.

Au besoin, nettoyez le produit avec une solution d'eau et de savon doux, rincez-le abondamment et séchez-le complètement.

Vérifiez périodiquement pour vous assurer que tous les écrous sont bien serrés pendant l'utilisation.

Garantie limitée du fabricant

Sunjoy Group garantit à l'acheteur initial que ce produit ne présentera aucun défaut de fabrication et de matériaux pendant une période de un an à compter de la date de l'achat si le produit a été acheté dans son emballage scellé à l'usine, et s'il a été entretenu correctement et utilisé à des fins personnelles et résidentielles seulement. Si le produit présente un défaut de fabrication pendant cette période de garantie, Sunjoy Group remplacera (à sa discrétion) toute marchandise ou pièce défectueuse sur présentation d'une preuve d'achat. Toutefois, les frais de transport et de manutention, ainsi que les paiements versés à un tiers pour l'assemblage ou le démontage du produit, demeurent la responsabilité de l'acheteur. Les acheteurs de produits avec « boîte ouverte », précédemment retournés ou « en liquidation », ainsi que les acheteurs initiaux de produits dont la période de garantie est terminée, peuvent obtenir des pièces de rechange auprès de Sunjoy Group pour des produits actuellement en production, à peu de frais.

Exclusions:

les articles utilisés à des fins commerciales, locatives ou non résidentielles et les articles endommagés par des phénomènes naturels, des actes de vandalisme, un usage inapproprié ou un assemblage inadéquat ne sont pas couverts. La corrosion et la rouille de la quincaillerie ne sont pas couvertes. Une preuve d'achat (une copie de votre reçu daté) doit être présentée avec toute réclamation au titre de la garantie. La garantie n'est accordée qu'à l'acheteur initial et est non transférable. Si l'article original n'est plus offert, il sera remplacé par un article d'une couleur et d'un style similaires. Certains États ou certaines provinces ne permettent pas l'exclusion ou la limitation d'une garantie implicite, de sorte que les limitations et exclusions mentionnées ci-dessus peuvent ne pas s'appliquer à vous. Cette garantie vous confère des droits précis. Il est possible que vous disposiez également d'autres droits, qui varient d'un État ou d'une province à l'autre.
