⚠

WARNING

PINCH & CRUSH HAZARD: Moving leaf and sliding track mechanisms.

• **PINCHING or severe crushing injury** can occur when operating the extension leaf.

• **KEEP** hands, fingers, and foreign objects **CLEAR** of sliding tracks, hinges, and tabletop seam joints during extension or retraction.

• **NEVER** allow children to operate, pull, push, fold, or play with the extension mechanism. All adjustments must be performed by responsible adults only.

• **ALWAYS** use two adults standing at opposite ends to smoothly slide tabletop panels open or closed simultaneously.

WARNING: ALWAYS lock under-table toggle latches before use.

Locking is **ESSENTIAL** to prevent sudden tabletop sliding and accidental collapse.

• **ENSURE** all four (4) toggle latches under the tabletop are **FULLY LOCKED** before placing tableware, hot food, or any weight on the table

• **UNLATCHED** tabletop panels can shift unexpectedly during dining or movement, causing hot liquids or tableware to spill, resulting in burns or injury.

• **CHECK** toggle latches and track screws periodically (every 60 to 90 days) to ensure tight, stable engagement.

• **NEVER** attempt to lift, move, or relocate the table while the extension leaf is unlocked or extended.

⚠

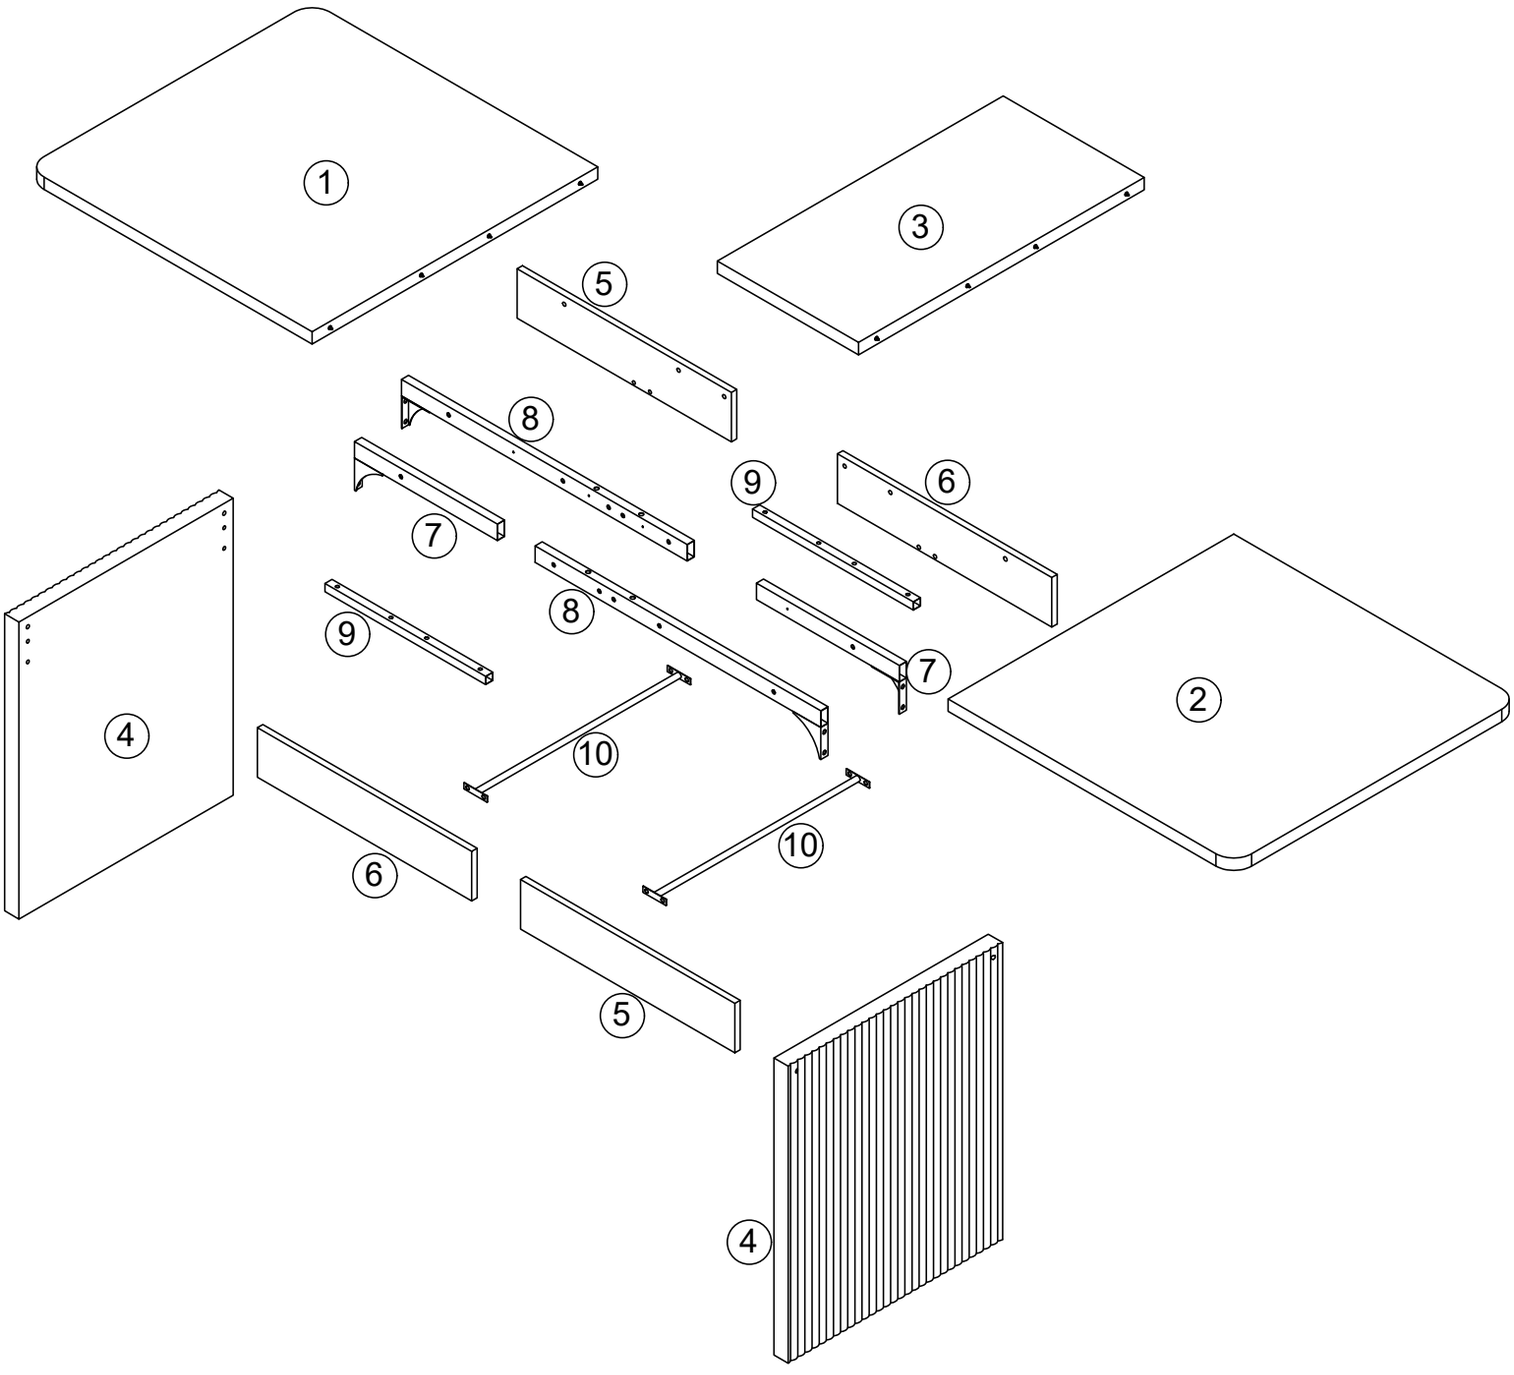

WARNING

CAUTION: Do not overload, sit, or climb on this table.

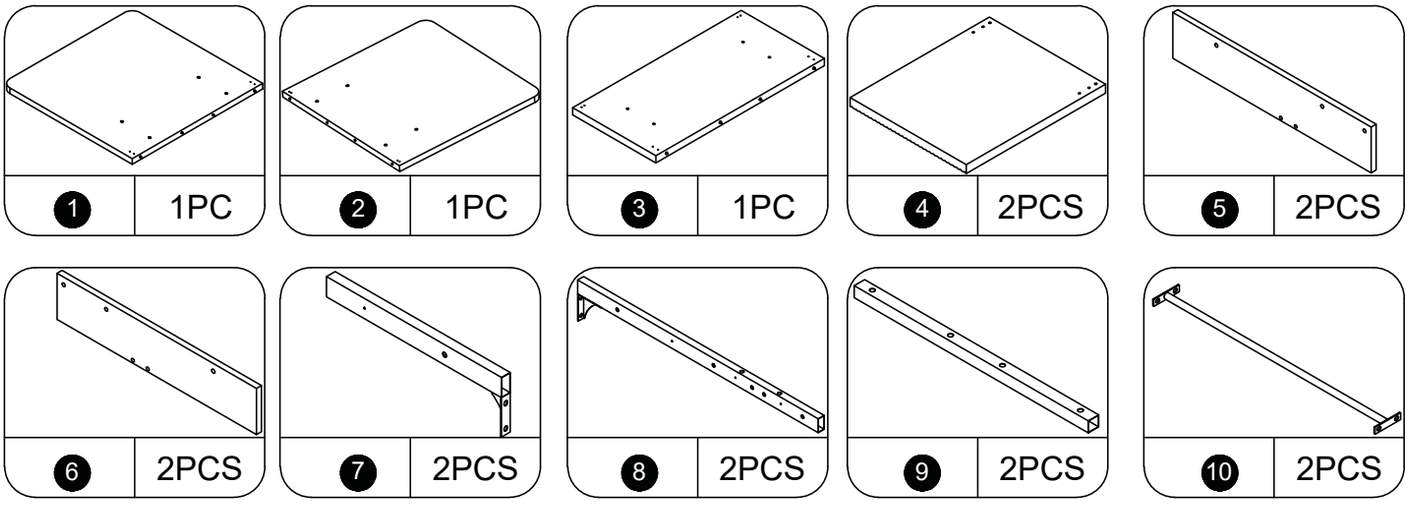

- Placing excessive or uneven weight on extended leaf overhangs creates a top-heavy, unstable hazard that can cause tipping or rail failure.
- **USE ONLY** for intended indoor dining. This table is **NOT** designed to support human body weight(never sit, stand, or climb on the table).
- **FOLLOW** all weight limits: Maximum load capacity is 200 lbs (90 kg) on the main tabletop, and 50 lbs (23 kg) on the center extension leaf, evenly distributed.
- **LIFT, NEVER DRAG:** Always lift this piece of furniture gently with two or more people to avoid cracking or loosening the vertical pedestal leg panels.

▲**WARNING**: This product can expose you to chemicals including wood dust and formaldehyde, known to the State of California to cause cancer and birth defects or other reproductive harm. For more details, visit www.P65Warnings.ca.gov/furniture
