

# 80288 ASSEMBLY INSTRUCTION

Thank you for purchasing this quality product. Be sure to check all packing material carefully for small parts which may have come loose inside the carton during shipment. Separate, identify and count all parts and hardware. Compare with the parts list to be sure all parts are present.

**IMPORTANT : PLEASE READ INSTRUCTION BEFORE STARTING THE ASSEMBLY.**

**"DO NOT TIGHTEN SCREWS UNTIL COMPLETELY ASSEMBLED"**

**"DO NOT OVERTIGHT ANY HARDWARE"**

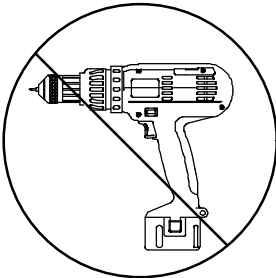

**WARNING : SMALL PARTS AND HARDWARE NOT FOR CHILDREN UNDER 3 YEARS. ADULT ASSEMBLY REQUIRED.**

## ASSEMBLY STEPS

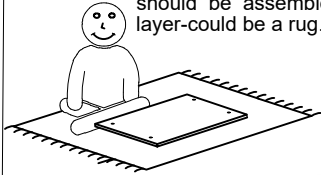

### STEP 1

Multiple hole positions allow for adjustable height.

|                                                                                     |                                                                                     |                                                                                     |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|  |  |  |
| A x 4                                                                               | B x 4                                                                               | C x 4                                                                               |

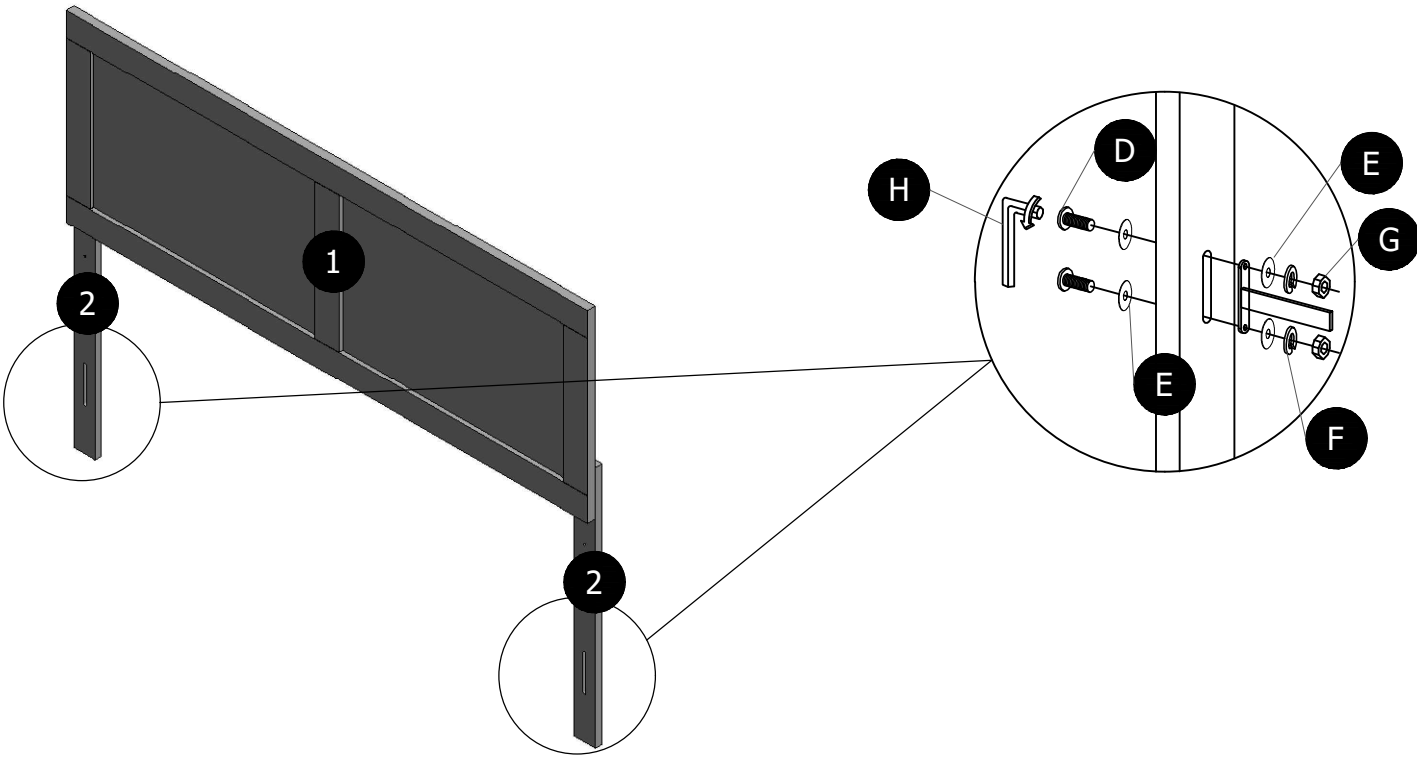

**AVOID SCRATCHES!**  
To avoid scratching this furniture should be assembled on a soft layer-could be a rug.

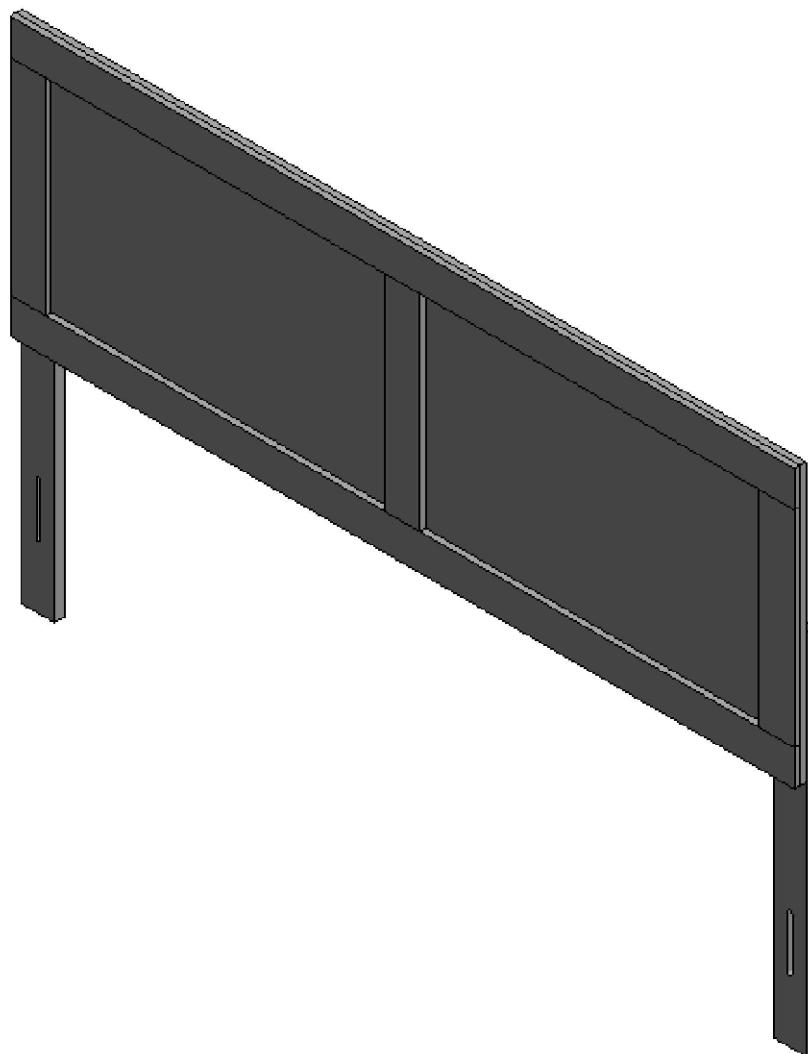

### STEP 2

|                                                                                       |                                                                                       |                                                                                       |                                                                                       |
