

CURVED 4-TIER PLANT STAND

SAFETY & WARNINGS

Warning

- Please read all instructions carefully.
- Retain instructions for future reference.
- Separate and count all parts and hardware.
- Read through each step carefully and follow the proper order.
- We recommend that, where possible, all items are assembled near to the area in which they will be placed in use, to avoid moving the product unnecessarily once assembled.
- Always place the product on a flat, steady and stable surface.
- Keep all small parts and packaging materials for this product away from babies and children as they potentially pose a serious choking hazard.
- Parts of the assembly will be easier with 2 people.
- Do not use this item if any components are missing or damaged.
- Dispose of all packaging carefully and responsibly.

Assembly Tips

- Please read the instruction manual carefully to understand the matters needing attention in the process of installation and maintenance.
- Strictly follow the assembly instructions.
- Carefully check whether the parts in the box are intact.
- Assemble on the box so as not to damage the product and room floor.
- The use of mismatched parts may cause damage to the product. Please confirm the model of various parts before assembly.

① Metal Frame x 2PCS

② Small Panel x 4PCS

③ Big Panel x 1PC

④ Pull Rod x 2PCS

⑤ Short Steel Pipe x 6PCS

A: Long Screw
x 20PCS

B: Short Screw x 10PCS
6 x 3.5mm

C: Hex Wrench x 1PC

D: Hook x 2PCS

E: Sticker x 6PCS

INSTALLATION

Step 1

Connect two metal frames (①) by screwing four long screws (A) into metal frames (①) and tighten into two pull rods (④) with hex wrench (C).

Step 2

Insert four short screws (B) into big panel (③) and tighten into metal frame (①) with hex wrench (C).

Step 3

Attach one small panel (②) on metal frame (①) and secure by screwing four long screws (A) through metal frame (①) and into small panel (②).

Step 4

Install two short steel pipes (⑤) on the top of small panel (②) and affix by screwing two long screws (A) from underneath the bottom of small panel (②). Attach another small panel (②) and secure by screwing two short screws (B) on the top and two long screws (A) from both sides.

Step 5

Place two short steel pipes (⑤) on the top of small panel (②). Attach another small panel (②) and secure by screwing two short screws (B) on the top and two long screws (A) from both sides.

Step 6

Repeat step 5 to install the top small panel (②). Use stickers (E) to affix two hooks (D) on pull rods (④).

CLEANING & CARE

- To extend the life of your flower stand, clean it after each use and cover the unit to protect it from the elements.
- To maintain the finish, clean the surface by using a soft cloth. Do not use a metal brush.
- Although flower stand in general do well in adverse weather conditions, store it in an enclosed structure during the off-season.
- Regularly check all fastenings to ensure that they are properly tightened.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.
