Watts per Socket / Item: 60/60

Any number of ideas spring to mind when the Formby Wall Sconce is viewed: is it composed of leaping flames or is the profile an artful rendering of a leghorn fern? Whatever you see in the silhouette, the cast aluminum sconce that has been treated to a gold leaf finish, reflects the playful point of view Marjorie Skouras, the designer of this creation, has for rendering nature. The Formby is certified for damp locations.
