Layout Parts on Soft Surface

Lay out all parts on a soft surface i.e. Rug, Carpet or Packaging Carton

Assembly Details

60 **mins** Approximate Assembly Time	 2 person assembly	Floor Area: 1.5X1.5 **meters** Required Assembly Space 

Required Assembly Tools Phillips-Head Screwdriver

Tips Before you Start

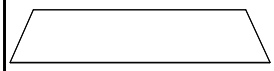

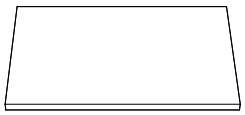

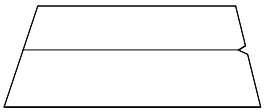

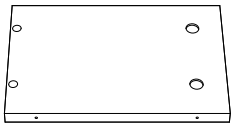

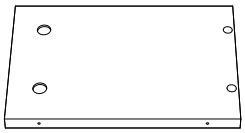

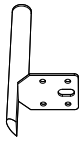

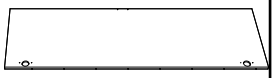

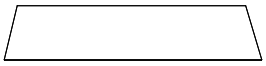

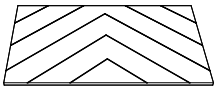

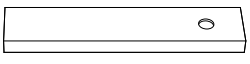

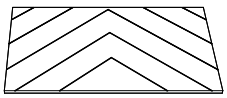

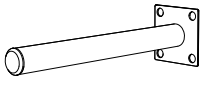

1. Please check that all parts are present before you start the assembly of your furniture.
2. For ease and speed of assembly, we recommend that before you commence each step of the assembly, that you identify all the parts required for that step.
3. We recommend that, where possible, all items are assembled near to the area in which they will be placed in use, to avoid moving the product unnecessarily once assembled.
4. For the protection of your furniture, we recommend that the product is placed on a protected surface during assembly to prevent any damage.
5. During assembly please take care not to over-tighten any fittings, as this may damage the product. Do not use power tools.
6. Always place the product on a flat, steady and stable surface.
7. Do not stand on the product. Do not use the product as a stepladder.
8. Please use caution and care when lifting the product to avoid personal injury and/or product damage.

Care and Maintenance

• Upon completion of assembly be sure that all screws, bolts and fastening
• Never clean with abrasive ammonia base, bleach base or spirit type cleaners.
• Use only replacement parts supplied by manufacturer.
