Care and Maintenance

- It is recommended to wipe off the dust gathering on the counter stool with a soft and clean piece of dry cloth.
- Do not use solvents of any kind, as they may damage the finish of the item.
- It is essential to check if any screws/bolts are loosened periodically and then tighten them accordingly.
- It is important to keep this item in a climate-controlled environment, since extreme temperatures and humidity changes can cause fading, warping, shrinking and splitting of wood.
- This item is designed to be used indoors only, please avoid using it outdoors, as direct exposure to sunlight or rainwater will curtail its durability.
- Weight capacity for each shelf is 300lbs, to make the counter stool work as intended, please make sure the total weight of objects placed on each shelf is below 300lbs.
- Keep the counter stool away from pointed objects or corrosive chemicals to protect its surface from being damaged.
- Never stand, sit or lie on the counter stool , nor it can be used as a ladder.
- Following the tips above will help the item retain its performance even when it ages over time.
- Additional note about safety: Bolts may loosen during normal everyday use. They should be periodically inspected and re-tightened to prevent damage or injury. Remember to save your wrench to use to tighten.
