Instructions:

1. Locate and unpack all of the parts required and place them on a soft surface (i.e. carpet).
2. Match numbers on base to numbers on top assembly.
3. Place the Top Assembly upside down on a soft surface.
4. Attach Legs to the Top Assembly using # 3/16" X 1/2" Countersunk Head Bolts as shown. Leave loose.
5. Attach Leg Assembly to the Bottom Frame using # 3/16" X 1/2" Countersunk Head Bolts. Tighten all Bolts.
6. Turn the completed table upright.

It is recommended that you periodically check and tighten all parts during the lifetime of the product. Clean with a damp cloth and buff dry with a soft cloth. Use of commercial polishes or waxes is not recommended. Use coasters under beverages and articles that may scratch. Do not place hot items directly on the surface.
