# INDOOR DECORATIVE STATUE

Please read this manual carefully and save it for future reference.

Each statue is cast and hand-painted. Imperfections from the casting and hand-painting processes are normal. Pitting on the surface of the statue are caused by air bubbles becoming trapped when the casting materials are poured into the mould. Over time, paint finishes will gradually mellow in color; this is part of the natural aging process.

## General Use & Care

**SAFE USE:** Place the statue on a flat, level surface. Avoid high-traffic locations, such as areas where children and pets play.

**CLEANING:** Gently dust with a soft, dry cloth or a clean feather duster.

**SUN EXPOSURE & STORAGE:** All materials and fabrics will eventually fade from sun exposure. Maintain color and integrity by covering and storing the statue in a cool, dry place, away from sunlight.

### ! IMPORTANT INFORMATION !

- For indoor use only.
- For decorative purposes only — this item is not a toy!
- Do not use harsh chemicals or abrasive materials to clean the statue.
- Manufacturer is not liable for damage or personal injury caused by improper use, inadequate maintenance or neglect of this product.

**Any modification to the product or failure to follow recommended care will void the product warranty.**
