Indigo Glaze

The Okinawa Vase, part of the Shiga collection, is a fusion of artistry and nature. Its bold indigo glaze covers the piece in a deep, ocean-like hue, while the raw, broken edge adds an element of organic imperfection. This asymmetrical design creates a contrast between the smooth glaze and the rough, textured edges, making the Okinawa Vase a true statement piece. Perfect as a standalone work of art or as a vessel for floral arrangements, this vase is ideal for those who appreciate modern craftsmanship with a touch of color and beauty.
