

Draughtsman Table

SKU 5102-09

Description

A terrific table for a variety of crafts or games. The design is adapted from neo-classic originals with a rectangular top that is inset with a versatile surface- one side with a 100% wool fabric and the other side in oak veneer finished our #09 Vintage. The top can lay flat or be angled for an ergonomically friendly craft surface, particularly ideal for puzzling. There are handy drawers at each end of the table elevated on graceful tapering legs.
