It may be necessary to adjust the hinges so that the doors align. Use the instructions below as a guide.

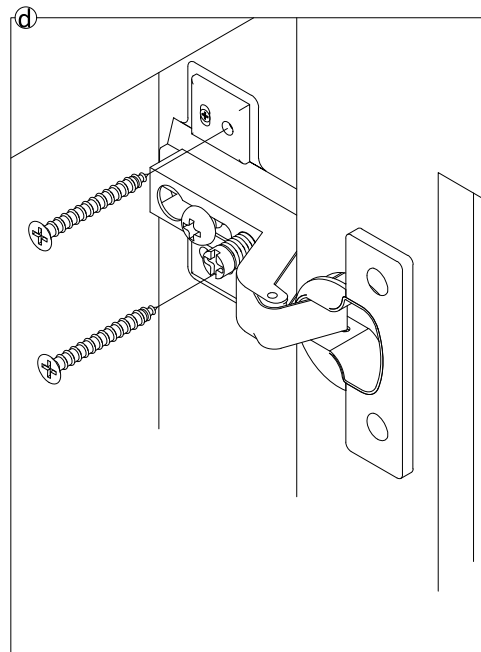

To adjust the door vertically loosen the screw as shown and move up and down as needed.

To adjust the gap from the door to the main frame turn the screw clockwise or anticlockwise as needed.

To adjust the door laterally (such as changing the gap between the two doors), please adjust the screw as shown by turning clockwise or anticlockwise.

Please fix other screws.

CONTACT US

Dear customer, thank you for purchasing our products! We are proud to present our customers with high quality products!

If you have any product quality or use problems, please contact our customer service by purchase platform, we will ensure your satisfaction.

If you are satisfied with our products, please share your amazing experience with us and other customers! It would be our honor to hear from you!
