

SUPPLIES NEEDED:

Large Flag (part - FLAG LG)

Flag Housing (part - FLAG HSNG LG)

Small Brass Knob (part - KNOB SM)

Screwdriver (phillips)

Small wrench or pliers

Assembling Flag & Knob:

- 1** Insert the flag into the back of the housing so that the threaded screw (on the flag) goes through the slot in the housing.
- 2** Thread the brass knob onto the screw (on the flag) being careful not to overtighten.
- 3** Align the holes (2) of the flag housing with the corresponding holes on the mailbox.
- 4** Insert the two screws and thread the nuts onto them from inside the mailbox. Using a small wrench or pliers and a phillips head screwdriver, tighten the bolts.

insert (2) screws and
tighten nut from
inside the
mailbox
