

Installation Steps:

1. Combine the lamp head tube with the supplied M4 screws
2. Tighten the main wire through the boom
3. Connect the lamp body to the base with the dispensing screws and gaskets
4. Connect the main line on the ceiling tray with the wire reserved on the ceiling with the wiring cap.
5. Fix the hanging plate to the junction box with the screws on the accessory pack.
6. Set the whole lamp on the hanging plate
(let the hanging plate screws expose the ceiling).
7. Tighten the flower branch screws on the exposed hanging plate screws
- 8-9. Tighten each lamp head shade with the distributed ring
10. Each lamp head is screwed into the bulb.

Attention Please:

1. Please make sure power-off before installation. (WE SUGGEST INSTALLATION BY A LICENSED ELECTRICIAN.)
2. Due to differences between monitor displays, actual color may vary slightly from image.
3. Because of the different measurement methods, please allow 0-1/2inch difference due to manual measurement.
4. If you have any questions or any missing parts, please do not hesitate to contact us, we will try our best to help.
