

CLRv3-Select

Commercial Recessed LED Downlight

NICOR[®]

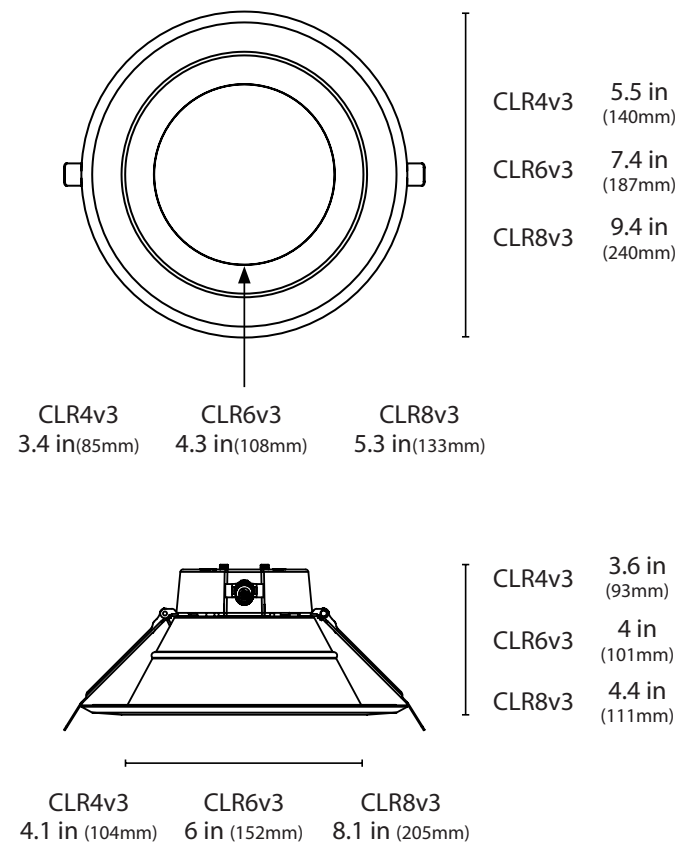

CLRv3-Select

Commercial Recessed LED Downlight

Designed for both new construction and retrofit applications, the CLR Select series can be installed directly into drywall, a ceiling grid, or an existing 4", 6", or 8" mounting frame using spring loaded retention tabs. The CCT and output selectable design allows for easy adjustment to 3000K, 3500K, 4000K, or 5000K and standard, medium, or high output. With accessory trims in black and offering a full range of dimming via 1-10 volts, the CLR Select is adaptable to most any environment. The versatility is perfect for commercial applications, such as educational, governmental, retail and grocery, office, or hospitality lighting.

Dimensions

FEATURES
