

Ovente Smoothie Maker Best Blender 1.5L (BLH1602 Series)

\$29.99

Key Features

POWERFUL – The Ovente 400-Watt Professional Blender expertly blends fruits and vegetables to make deliciously healthy smoothies with the use of heavy-duty stainless steel blades that handle the toughest ingredients with ease!

BPA-FREE & LARGE CAPACITY – Includes a large 1.5L BPA-free container with a filler cap that reduces backslash when adding ingredients mid-blend. You can now serve drinks for the whole family!

HIGH-SPEED SETTINGS – Blends ingredients quickly to a perfect consistency with its 2 blending speed settings with pulse operation.

SOFT-TOUCH HANDLE – Easy to grip for graceful and spill-free pouring.

SAFE & STABLE – The professional blender features anti-skid feet, which provides extra safety and stability for preventing accidents.
