Little Boxes 1

D2807S56125-4729

Little Boxes 1 pays respect to Architectonic, an art style that integrates architectural principles and aesthetics into artistic compositions. This work on paper accentuates geometric forms and the interplay of objects in space that invites the eye to form its own narrative. Implied lines, the use of light and dark, and a clever color scheme in bone white, mocha, and sienna add to the intrigue of the work. A striking composition on textured paper, Little Boxes 1 uses a pleasing color palette to bring abstracted forms to life. Part of the carefully curated ART by TA collection.
