

Product Dimension: 103.15" Dia. x 92.12" H.

⚠ SAFETY INFORMATION

- Assemble on a soft surface, such as carpeting, to avoid scratching the pole finish or tearing the umbrella fabric.
- Close the umbrella during windy condition. Do not leave the umbrella open in high winds.
- Use a heavy or weighted umbrella base to stabilize the umbrella.

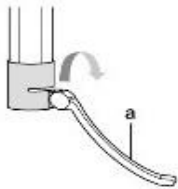

CARE AND MAINTENANCE

Wash with mild soap and water, rinse with clean water and let air dry.
Always let the umbrella dry completely before storing.

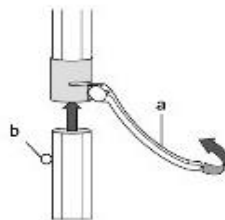

OPERATION INSTRUCTION

- Step 1: Push the level handle (a) on the upper pole down
- Step 2: Insert lower pole section into upper pole, locking the metal pin (b) and folding level handle (a) up again.
- Step 3: Gently pull up one rib and open the umbrella by hand.
- Step 4: Push the runner (c) up against the resistance until the umbrella has opened completely.
- Step 5: Pull the runner down against the resistance until the umbrella has closed.
