15	Hex Key		M4*50mm	1

Pre-installation instructions:

1:Please confirm whether all the product components are complete before assembly.
2:Assemble correctly and safely according to the instructions.
3:Please keep the assembled parts out of the reach of children.

Maintenance instructions:

1:Please stop using if damaged or deformed during use
2:It is recommended to carefully inspect the components once every three months or so. If there are any potential safety hazards, stop using it
3:Please do not repair or modify this product by yourself to avoid affecting its service life

Instructions for Use:

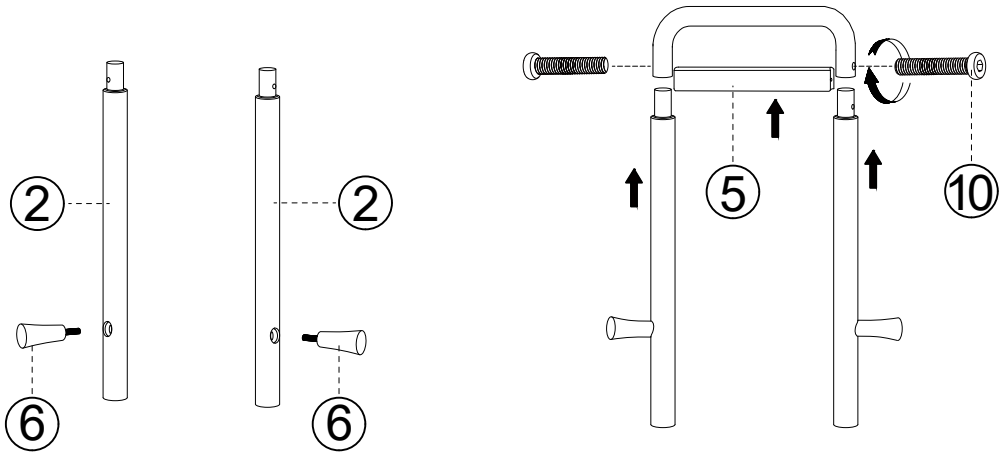

1:Please do not jump on this product or use it as a platform to retrieve items. Special reminder to children!
2:To prevent overturning, deformation and damage, please use this product on a flat surface.
3:Please do not use it for purposes other than that of this product.

After-sales service:

1:If you have any questions, quality issues, lost accessories or installation difficulties, please consult the customer service staff of the store where you purchased or contact us by phone
2:We are not responsible for the consequences and associated losses caused by natural disasters, improper repairs, renovations, etc
3:Please handle the packaging materials of this product in an appropriate manner

Product name: Solid wood round pole double-layer coat rack

1

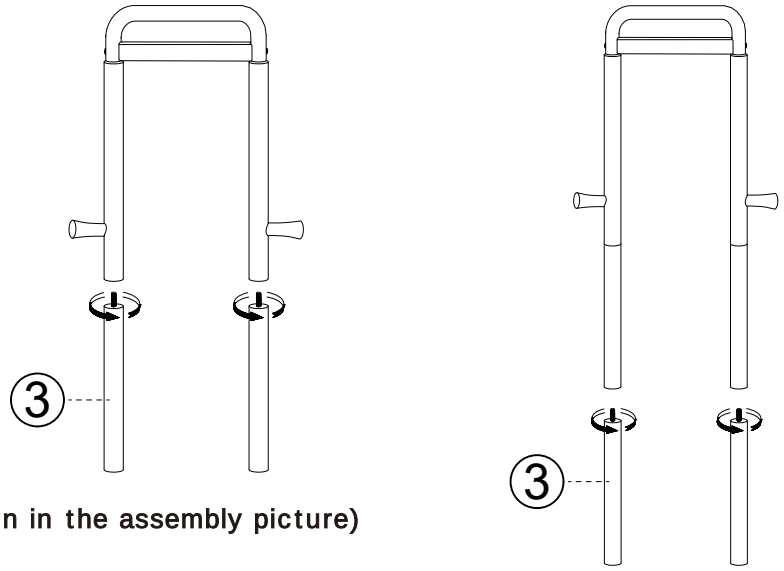

(As shown in the assembly picture)

①Screw No. 6 onto the side rod No. 2 in a clockwise direction one by one

②Place No. 5 in the middle of No. , then insert No. into hole No. 1. Align the holes and fix them with No. 10 screws.

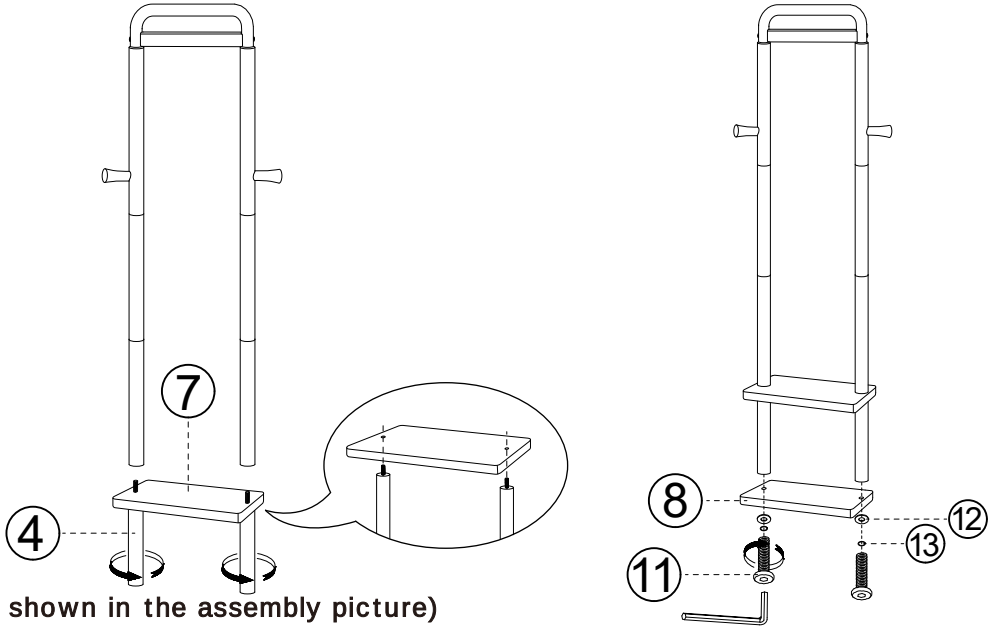

2

(As shown in the assembly picture)

Rotate No. 3 clockwise to the bottom of No. 2

3

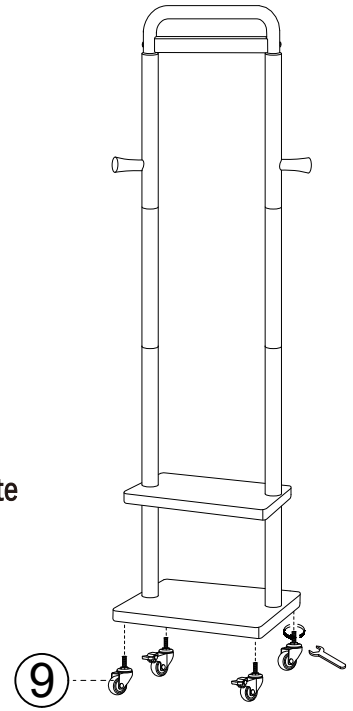

(As shown in the assembly picture)

Insert the two No. 4 lower side rods through the corresponding holes of the No. 7 middle shelf and screw them clockwise into the bottom of the No. 3 rod.

After screwing on the 15 and 13 washers with the No. 11 large screw, fix the No. 8 base plate onto the No. 4 lower side rod

4

(As shown in the assembly picture)

Turn the No. 9 wheel clockwise into the corresponding screw hole on the base plate

Installation completed
