

POLISHED KUDU HORN DOUBLE TWIST STANDING LAMP

Each lamp is hand-made with four (4) intertwined polished extra-large Kudu horns. The horns are suspended on a metal rod above a 5"-thick 12"-square leather-wrapped wood base. The embossed leather base has been finished with top-stitching on each visible surface. Recommended to pair with an Extra Large Drum shade in either White Burlap or Black & Gold Paper.

Our lamps are constructed with UL-listed electrical components.
