VANITY TABLE

918S-W, 918S-B
INSTALLATION

918s (small-sized) vanity tables have three version: simple, basic, and luxury.

Simple version: without mirror light, built-in socket, and hair dryer bracket, therefore there is no mirror light power plug, built-in socket, and hair dryer bracket in the accessories.

Basic version: with mirror light, without built-in socket, hair dryer stand. Therefore, there is no built-in socket and hair dryer stand in the accessories.

Luxury version: with mirror light, built-in socket, hair dryer stand, therefore, there are power plug, built-in socket, and hair dryer bracket in the accessories.

This is simple version 918s

Please notice:

Screw C is a drawer positioning pin that prevents the drawer from falling off when opened. After installation, please confirm that all positioning screws C have been installed.

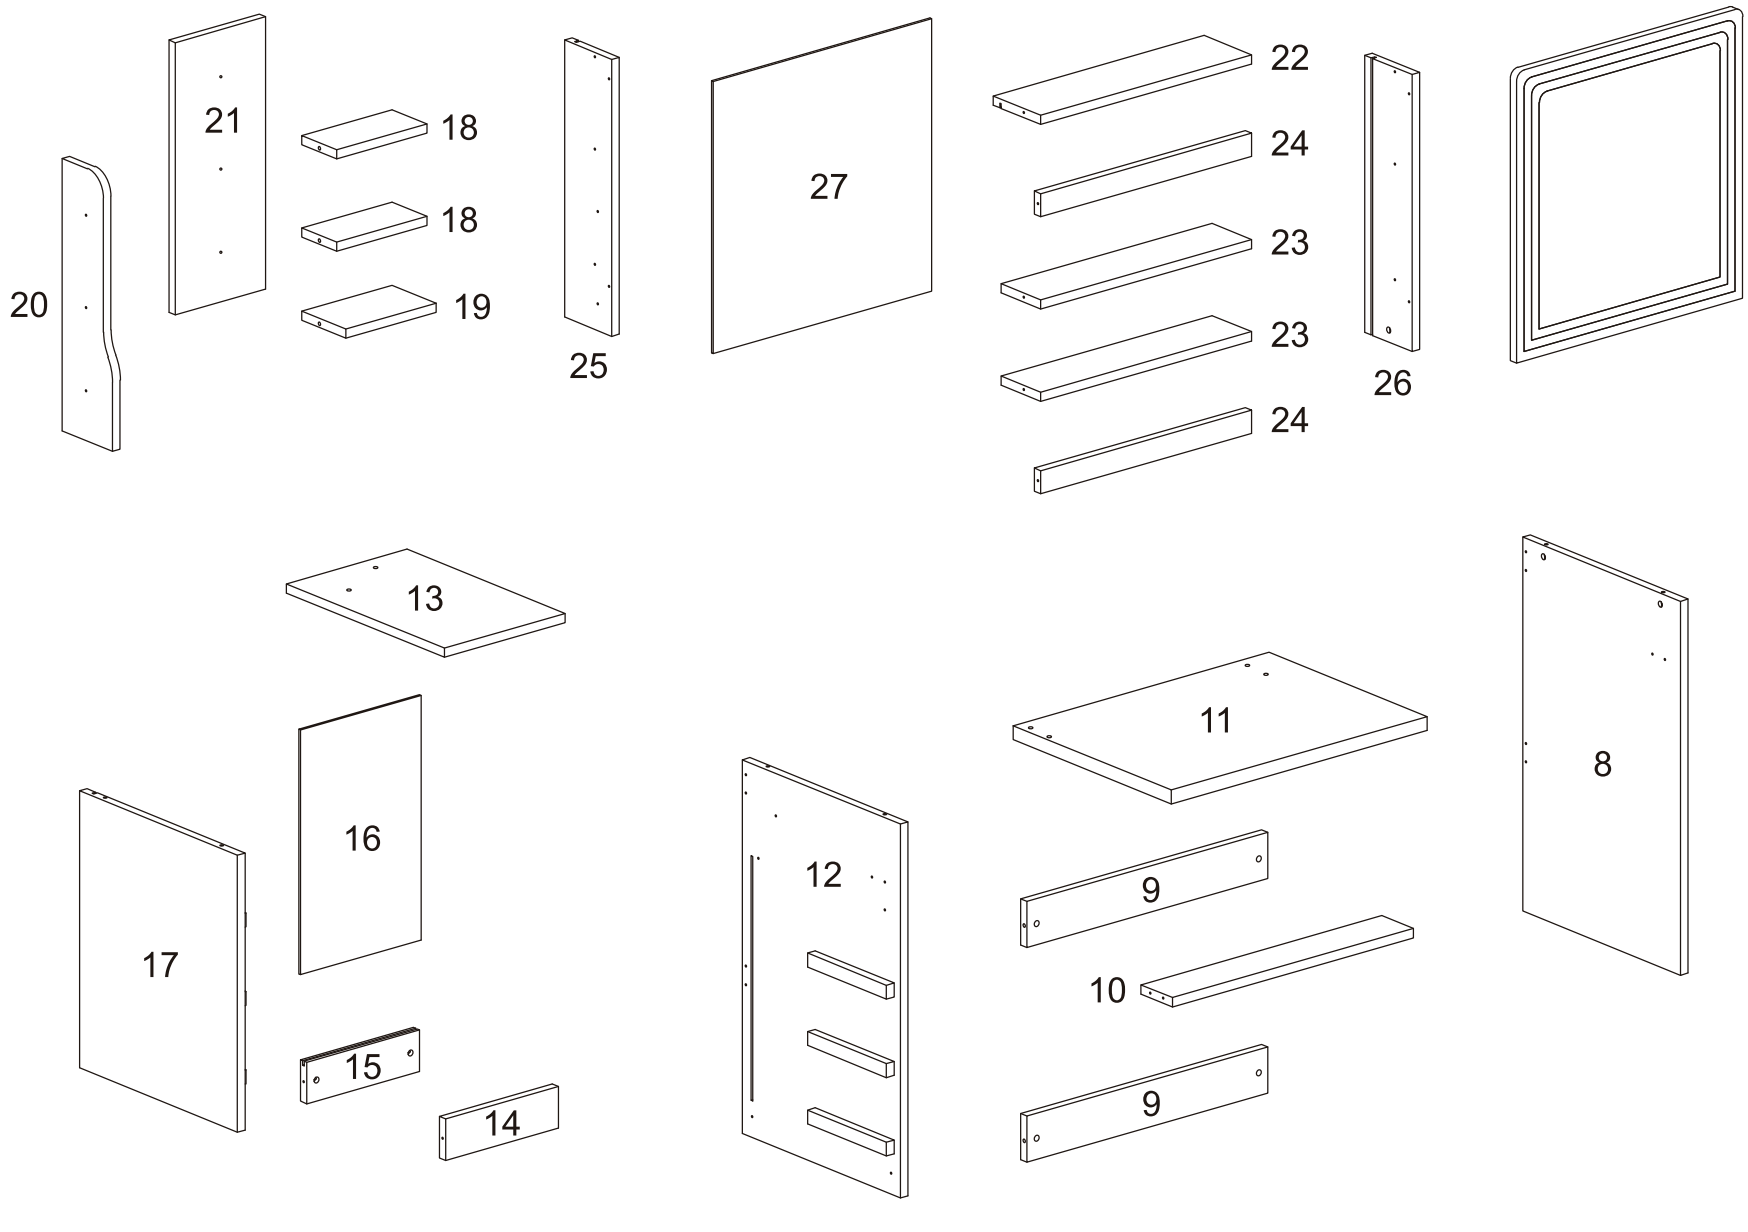

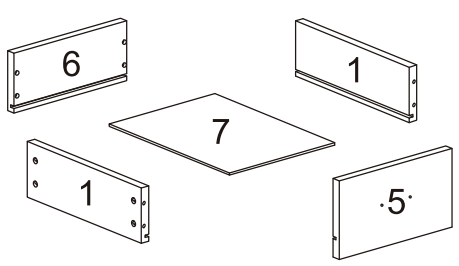

Before assembly please scan the code to get the installation video.

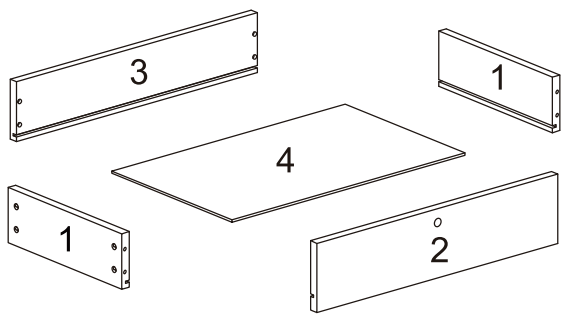

How to install the rail and mirror? please scan the code to get the video.

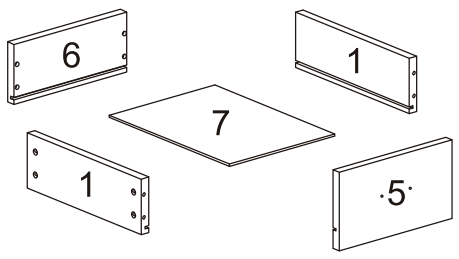

How to adjust the mirror light? please scan the code to get the video.
