

SPEAKMAN®

SE-575-DP

ADA COMPLIANT SWING ACTIVATED EYEWASH

DESCRIPTION

SE-575-DP is a recessed, wall mounted swing down eyewash with an integral drain pan. The unit features a stainless steel cabinet and activates automatically as the spray arms are pulled downwards. The extended arms provide for easy accessibility for persons with physical disabilities and a lockable access panel provides for easy serviceability from the front of the unit.
