

Assembly instruction of GD9001 4B

Dear Customer,

We design and produce our products for people to love and have fun with them as we do.

The product you bought was subjected to all sorts of tests and control before sending out to you.

Before start assembling, please check the whole components and accessories according to the lists. If you bought more than one product, to prevent confusion be sure that you completed the first product. Then start the other product's assembling.

Although all the products are produced and packed carefully, sometimes happen that some component is damaged during the transportation. In such a case please check the missing or damaged part and do not hesitate to contact us via : service@daveefurniture.com

Step 1

L side

This bookshelf is a modular design

stack 2 shelves together, lock by 4 screws

R side

Do not tighten screws & bolts until the entire item is completely assembled.

Step 2

Serious or fata injures can occur from furniture tipping over. To prevent the furniture from tipping over we recommed that it is permanently fixed to the wall. Wall anchor and hardware are included with this product. Please make sure hardware is suitable for your walls before installing, as different wall materials may require different types of anchors.

Attach Anchor inside the wall,
and lock bolt under the panel

Step 3

If the shelf as
room divider,
please lock bolt
this direction

Keep shelf
horizon, please
adjust the feet
