

NOTICE AND CARE INSTRUCTIONS

Hi,
Thank you for purchasing Crystli Mattress. Before you enjoy your new mattress, we would like to share some tips to you, so that you will know it better.

Before Use

1. Please allow up to 72 hours for the mattress to fully expand and for any potential odors to dissipate.
2. Please clean the mattress by "pressing-type" with a wet towel first. DO NOT SPREAD THE SPAIN. Dry the mattress with a hairdryer.
3. Please do not place the mattress in an ultraviolet or high temperature environment. High temperature will soften the inner foam and the rebound will be weaker and weaker.
4. It is recommended to keep the old mattress for another 72 hours and wait for the new one to fully expand.

On the Mattress

1. After long-term use, there will be slight depression in the mattress, which is a normal phenomenon.
2. It is recommended to adjust the head and tail of the mattress after every 1-2 months.
3. Please do not single point jump, fixed point pressure or sitting on the edge for a long time. It will be unevenly stressed and shorten the life of the mattress.

Inside the Mattress

High-density memory foam and other materials are soft and fragile, please handle them gently to avoid pulling and causing damage.

HOW TO UNPACK CRYSTLI MATTRESS

! Please use the specific opener only which is enclosed to cut the vacuumed plastic film. Cut the plastic film layer by layer carefully.

1

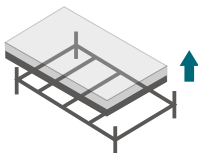

Unbox the mattress

2

Carefully cut the outer layer of film only with the enclosed opener

3

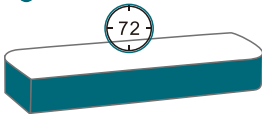

Place the mattress on the bed and unroll it.

4

Gently cut the edge of vacuumed film to make it expand

5

Allow it up to 48-72 hours to fully expand

6

It is recommended to adjust the head and tail of the mattress after every 1-2 months
