

COLORPLAY NAUTICAL BLUE 4.5X18 CRACKLED GLOSSY CERAMIC TILE

Capture the warmth of a sun-drenched, south-of-the-border holiday with our Colorplay Nautical Blue 4.5" x 18" ceramic tile. Crafted in Spain, this tile's deep Blue glaze washes over its surface for a handmade look and feel. Subtle crackle lines enhance its character. This scaled-up, subway-like tile is perfect for kitchen backsplashes, fireplaces, bathroom walls, and more.

COLORPLAY

Colorplay is an exceptional tile with an exquisite glaze. The finish is only the beginning. An uncommon reactive glaze adds depth to this collection's soft neutrals as well as its brilliant colorways. Relief patterns lend dimensionality to surfaces that love the light and the shadows. Scaled-up sizes are reminiscent of subway tiles, only grander. Use Colorplay for a paneling effect to create a statement wall anywhere in your home.
