

Solar-Powered Dusk until Dawn

Solar Post Cap & Deck Railing Lights Mission Style

SET OF 2
MODEL # 41471

No More Stumbling in the Dark!

Light your post tops, deck, and railings

This set of 2 Post Cap & Deck Railing Lights are great for everything from accenting decorative elements of your deck, to illuminating dark paths and fencing. Whether you are trying to show off your deck or prevent trips and falls, the Mission Style Solar Post Cap & Deck Railing Lights are for you.

SOLAR POWERED

The lights are powered by integrated solar panels and come with 1 rechargeable AA Li-ion batteries for each light that are charged daily by the solar panels. There is no need to run any electricity to the unit or to buy batteries. Requires 8 hours of charge time for up to 8 hours of illumination.

EASY INSTALL

These post cap lights can be mounted to almost any standard 4 X 4" wood fence post or deck, or be mounted to any 6 X 6" fence post when used with the included mounting bracket.

PERFECT POST CAP

Mount on the top of a deck or fence post to use as a post cap light. Perfectly sized for any 4 X 4" post, or 6 X 6" with the included bracket.
