Appearance

Chenille fabric. Exceptionally soft,fluffy,and skin-friendly to the touch with a plush surface.lt provides both visual and tactile warmth, significantly enhancing the product's coziness and comfort.

Structure

Composite filling of foam and spring package. High-density foam provides immediate softness and asinking-in feel; independent springs ensure firm,deep support and resilience against sagging,offering a plush and long-lasting comfortable seat.

Material

Ergonomic design for comfortable support. The heightened and thickened backrest fully supports the back and shoulders;the well-proportioned armrests provideanatural place for the arms; the plump seat cushion effectively disperses hip pressure, promoting a relaxed sitting posture.

Design Details

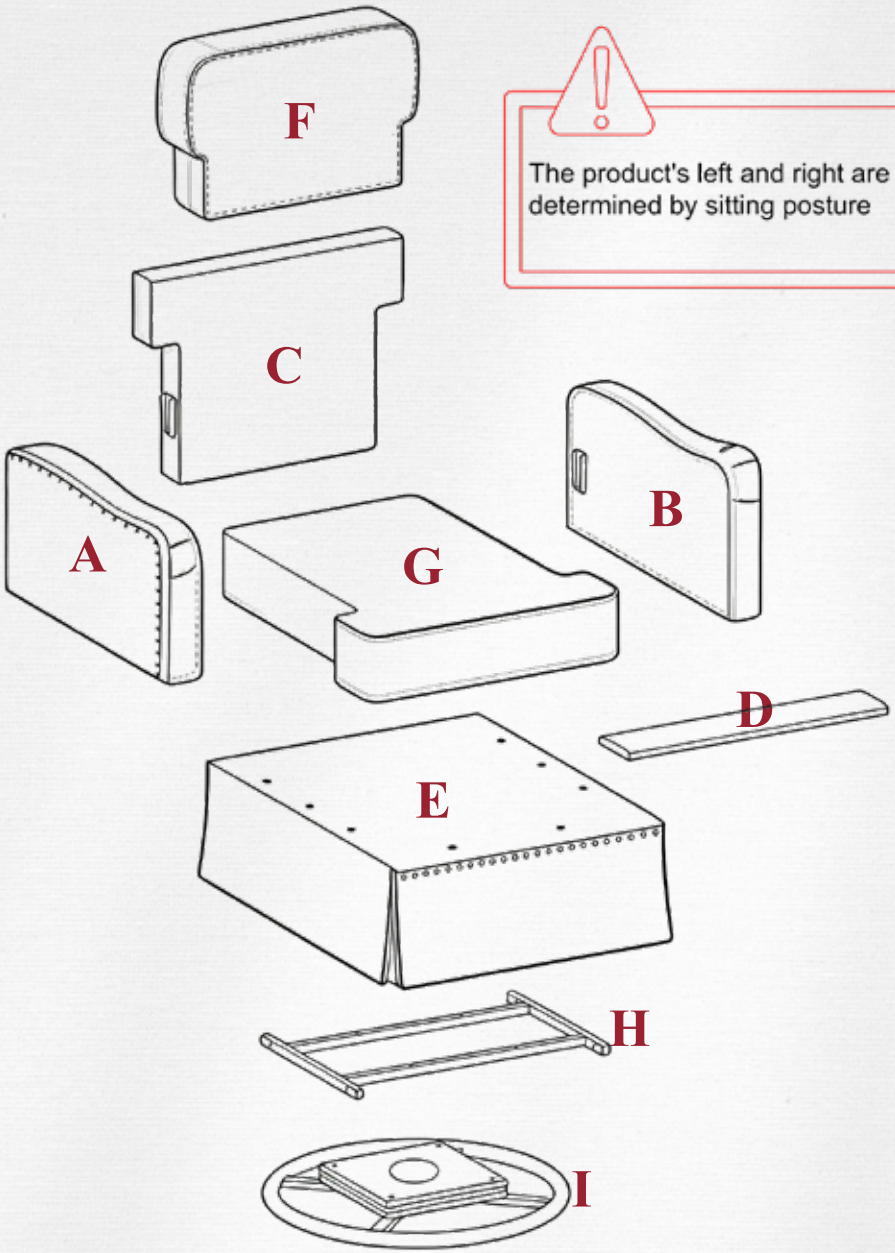

Multi-functional armchair with ottoman set for home use. The armchair comes in swivel version(S)and versionwith silent casters(W).Featuresaplump, rounded silhouette.The skirtedbottom addsvisual layersand atouch ofvintagecharm,presenting an overallcozy and modern style.

Applicable Space

Solid wood frame.A sturdy internal wood frame ensures overall structural stability,high load-bearing capacity, and long-term durability.

STEP1

Cut the plastic air compression bags, and take out the cushion (F&G). Let it recover to its original shape, the whole recovery process might take 48 hours, you may gently slap on it to speed up the process.

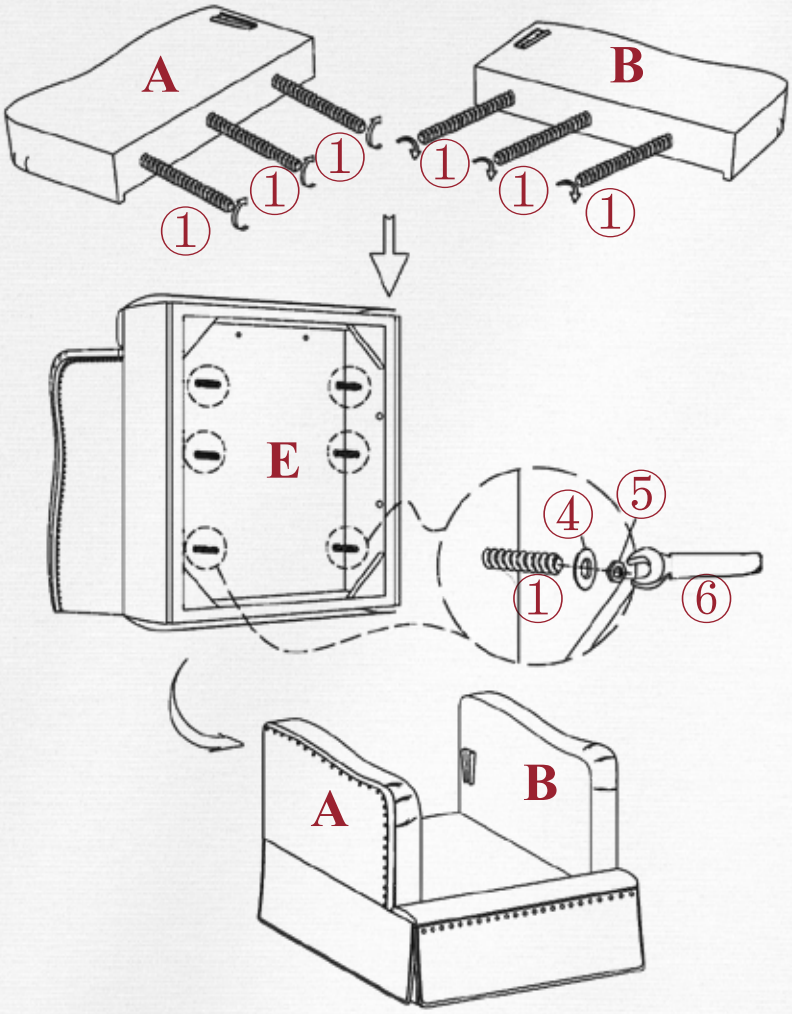

STEP2

First, screw the bolts (1) into the holes of the seat front board (D). Then, align them with the holes on the seatframe (E).
Use washers (4) and nuts (5) to tighten them with the Spanner (6).

STEP3

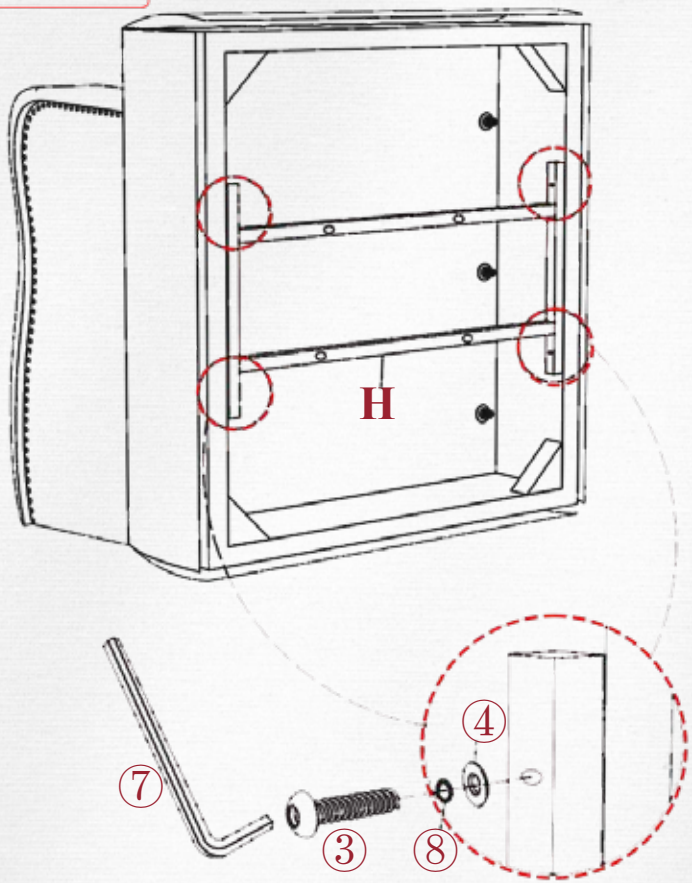

First, screw the bolts (1) into the holes of the armrests (A & B). Align them with the holes on the seat frame (E). Use washers (4) and nuts (5) to tighten them with the wrench (6).

STEP4

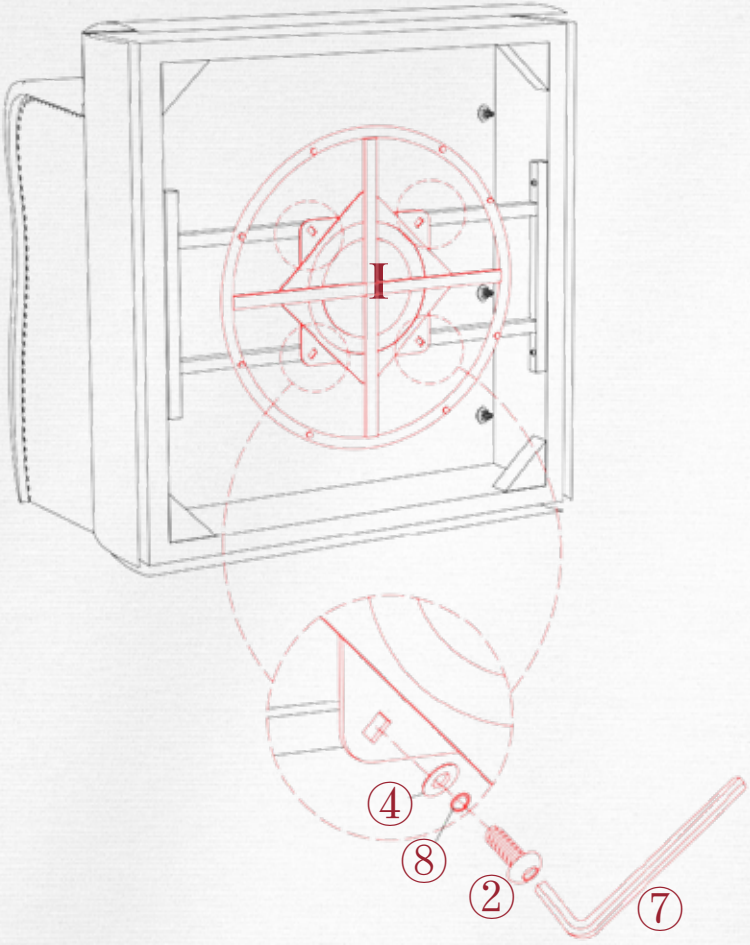

Place the bolts (3) through the bolt holes on both metal frame (H) and armrests as shown, then tighten the bolts, make sure all the bolts are fully tightened before next step.

We suggest tightening the bolts for 30-50% first, make sure the process is correct and bolt holes are aligned, then fully tightening them all.

STEP5

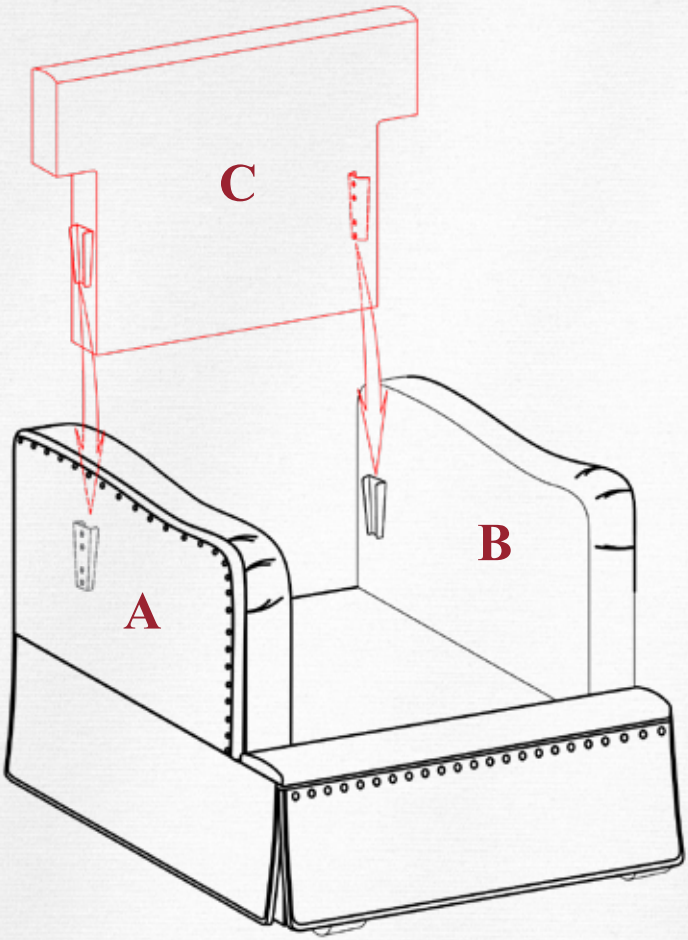

Then install the swivel base (I) onto the metal frame as shown, make sure all the bolts are fully tightened.

STEP6

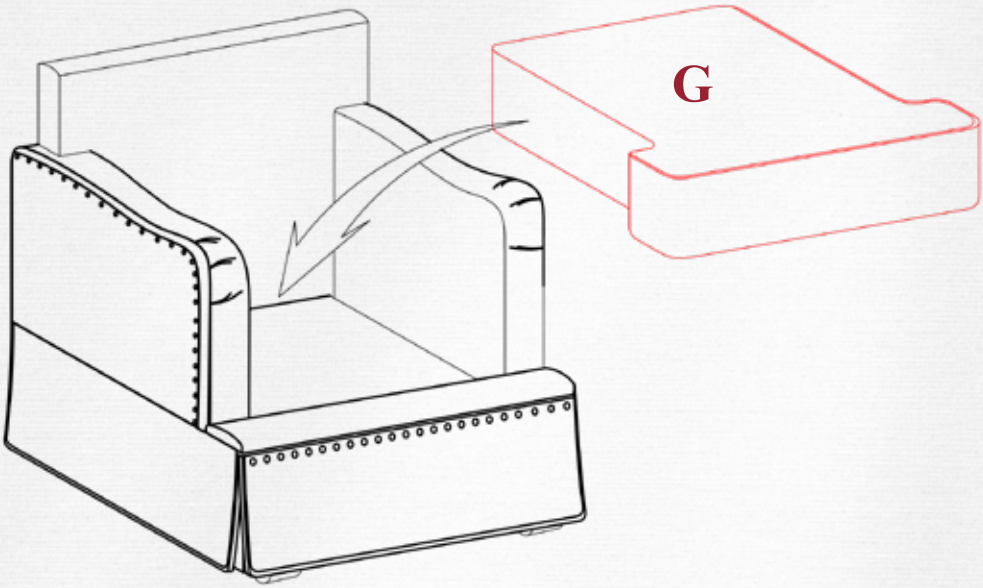

Insert the back frame (C) into the metal brackets on the inside of the armrests until it clicks into place.

Note: If needed, slightly loosen the bolts that connect armrests (A&B) to the seatframe(E) as shown in step 3. Insert the back frame(C), then use the provided Allen wrench to retighten the bolts and secure armrests (A&B) to the seatframe(E)

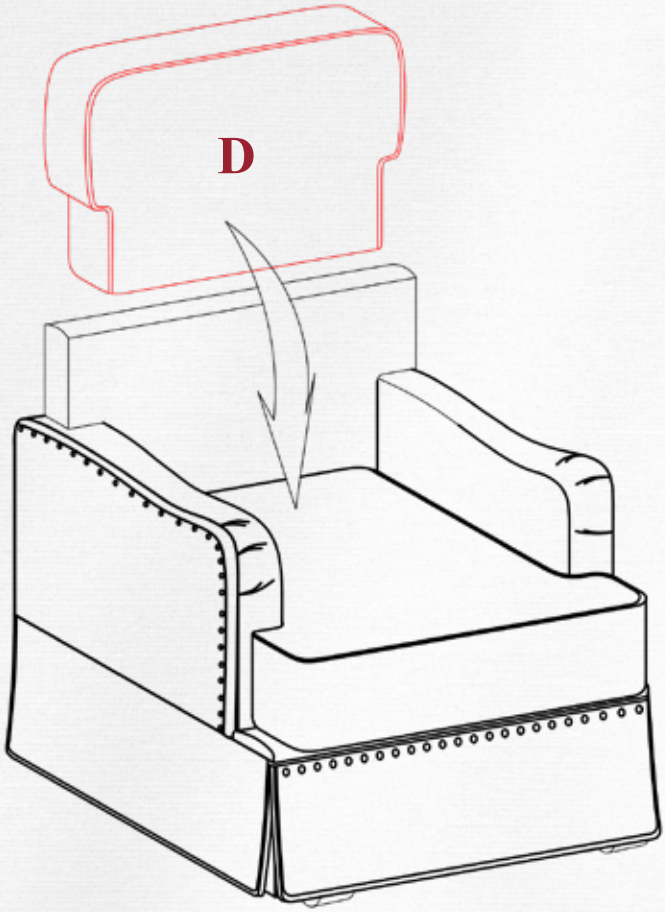

STEP7

Place the seat cushion (G) on it.

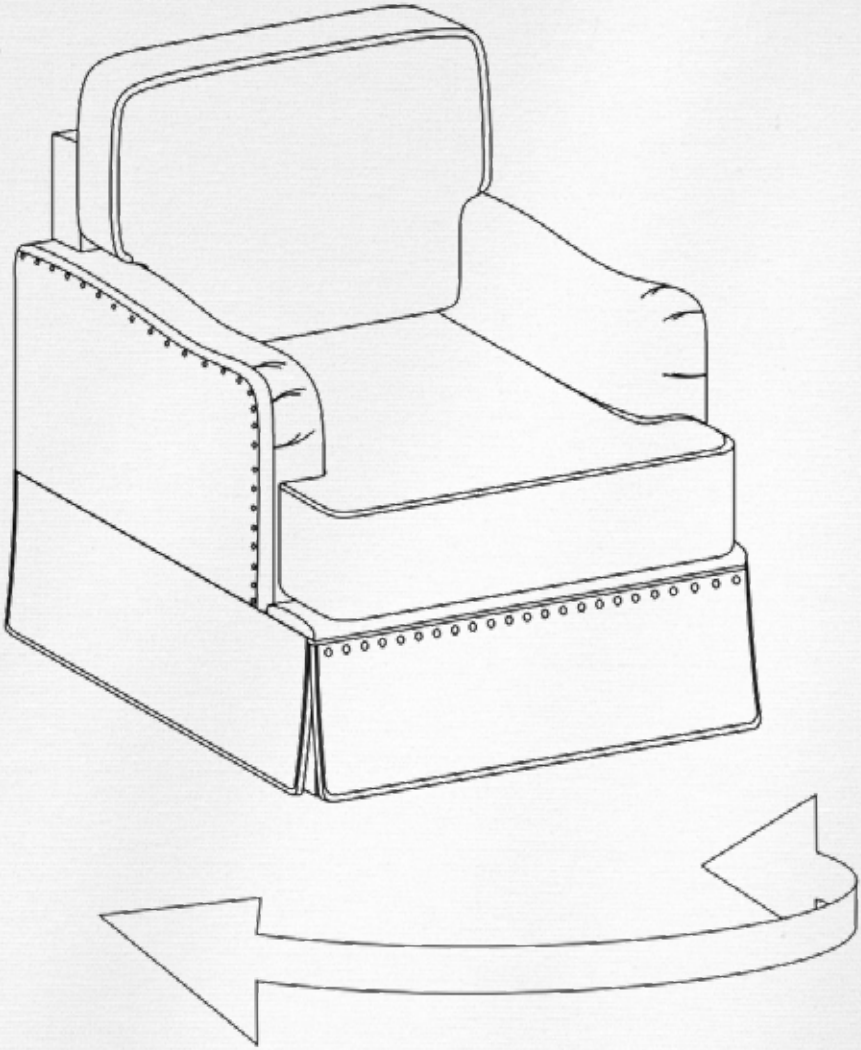

STEP 8

Place the armrest cushion (D) onto the sofa.

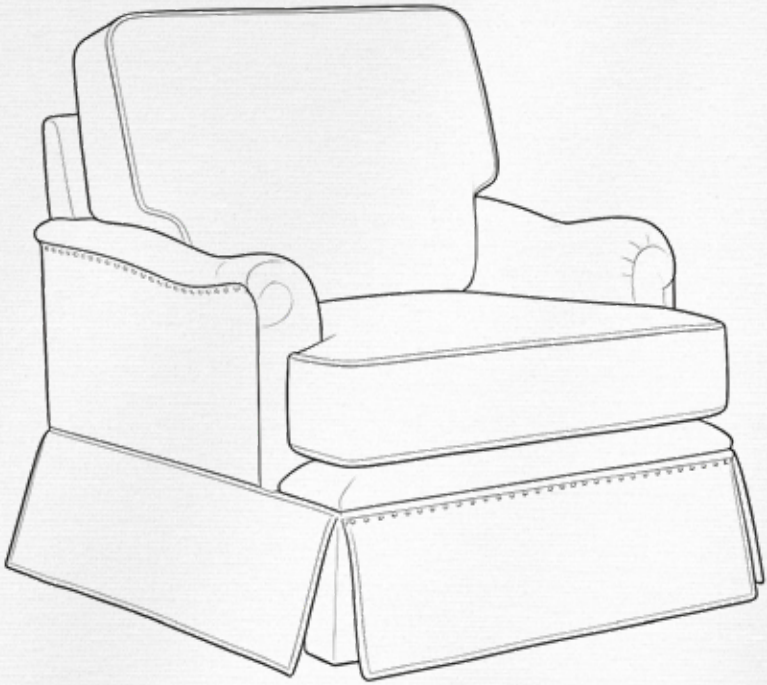

STEP9

The chair can rotate.

STEP10

Place the chair properly and tidy it up to make it look nice.
Assembly is complete.Thank you for choosing our product!
Please enjoy!
