

Living Room Armchairs

USER MANUAL

SKU: PP312461

PP312462

PLEASE READ AND SAVE THIS INSTRUCTION FOR FUTURE USE.

Only for domestic use.

Instructions for use:

- Put the chair stably on a flat floor.
- Avoid the overload at the chair.
- Do not stand on the product or use this product as a step ladder.
- Do not use this product unless all bolts, screws and knobs are firmly secured.
- Please do not use the knife to open any parts of the box or product.
- Building the chairs in good condition.
- Stay away from open flames. Do not expose it to extreme temperatures or moisture.
- Do not allow children to assemble or play around the chair.

Precautions before assembly:

- Prepare a clean and dry mounting area.
- Verify that the product is not damaged.
- Check that none of the pieces are missing.

Maintenance:

- Clean the surface with a mild detergent and a soft cloth.
- Avoid using harsh chemicals or abrasive cleaners, as they may damage the chair's surface.
- Inspect the chair regularly for any signs of wear or loose parts.
- Keep the chair away from direct sunlight to prevent fading or discolouration.
- The fabric should be stored completely dry, and in a clean and dry place to avoid the risks of mould.

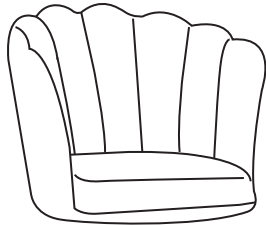

Beware of crushing and cutting hazards during assembly. The manufacturer declines all responsibility in case of damages due to a bad installation or withering.

If you have any questions or encounter any issues with the chair assembly or usage, please contact the seller for assistance.

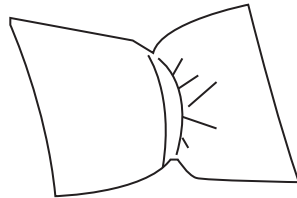

We hope you enjoy using your new chair!

NOTICE:

- 1.Put the screws in 80 % before tightening all of them.
- 2.Place the chair on the ground to adjust and make sure the four legs remain even
- 3.Tighten up all screws with tools.
- 4.If you find the legs are uneven, loosen the screws to 80% and re-tighten.

1

Note: Please follow the diagram to distinguish the front and rear legs. If you put it in the wrong place, it still can work, but the uneven force will cause the leg to break.
