

Swivel Arm Chair with Cushion

IMPORTANT NOTE

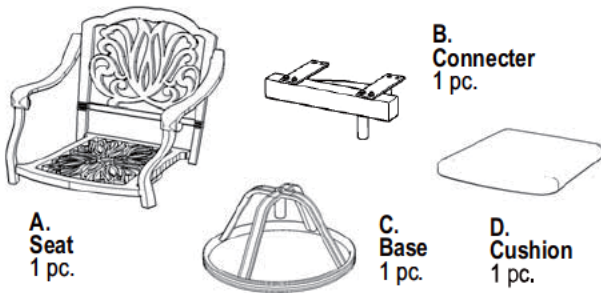

This product is made of sturdy, high quality aluminum and will provide years of enjoyment. Do not use power tools to assemble and only tighten bolts until they are snug. Over tightening can cause damage to the aluminum.

Carefully remove all the parts from the carton and put them individually on a soft cloth to prevent scratches or other damages occurring to the parts.

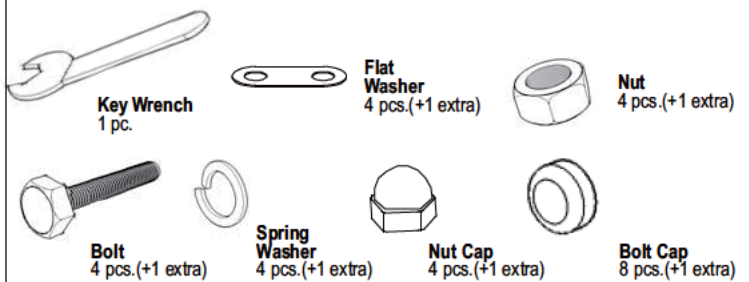

We have taken great care in the design of this product and request that you carefully and strictly follow our assembly instructions to ensure a completed product as it was designed.

Part List

Hardware List

IMPORTANT

- * Do not use power tools to assemble and do not over tighten the bolts.
- * Do not tighten up all the bolts until each part is properly assembled.
- * You should keep Key Wrenches in a safe place as you may need to tighten up the Nuts and Bolts in the future.
- * Use a soft cloth between these part and the floor.
