

EVEN PLUS

EVEN PLUS model stool, with metal frame with footrest and upholstered shell.
Height-adjustable.

Sophisticated materials and design ideas meet in a stool with stark but elegant lines. The conic shaped backrest and the wide seat give this stool model great comfort and ergonomics. The frame, made of square tubular steel, is set flush with the backrest, while the contoured seat is upholstered and covered. The EVEN stool swivels and can be adjusted for height with gas-lift mechanism. Square support and pedestal base.

The EVEN PLUS stool, fit in perfectly in an elegant living area, alongside a breakfast bar in the kitchen or in a refined lounge. Discover all the details and finishes!
