Hardware List (Ottoman)		
	Seat	1
	Seat Cushion	1
	Legs	4
	Sofa Cover	1

Part 2: Unboxing Instructions

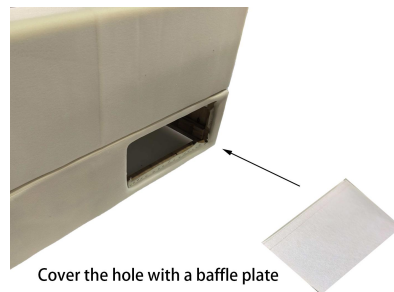

1. **Unbox Carefully:** Carefully open the box and remove all the parts.
2. **Cushion Recovery:** The cushions are filled with down and have been compressed for packaging. Allow 72 hours for them to fully recover once out of the box.
3. **Tools Needed:** You will need a screwdriver to tighten the screws.
4. **Assembly Recommendation:** It is recommended that 2 adults complete the assembly together.
5. **Optional Buckle:** Using the buckle to connect the seats together is optional but provides more stability.

Part 3: How to assembly seat

1. **Install Back Rests:** Align the metal pieces fitting on the bottom of the backrest with the pre-cut holes on the seat, insert them, and then secure the backrest to the seat.

2. **Attach Baffle:** Secure the baffle to the designated holes on sofa frame back.

3. **Put on Sofa Cover:** Remove the sofa cover from its packaging and unfold it. Drape it over the sofa, align its position, and then pull it down smoothly from top to bottom. If there is gap, gently pull down the cover to ensure it fits the frame completely and neatly for a tailored finish.

4. **Attach Legs:** With the sofa cover securely fitted, screw the sofa feet onto the bottom of the sofa frame.

5. **Prepare Cushions:** Remove the compressed cushion, pat it to loosen. Attache hook and loop underside the seat cushion and place it on the sofa. Allow up to 72 hours for it to fully expand to its final shape.

6. **Connect Seats (Optional):** Connect the armrest seats with middle seats by using the provided buckle to ensure added stability.
