KEEP INSTRUCTIONS FOR FUTURE USE.

PLEASE READ THE FOLLOWING TERMS CAREFULLY

WARNING

Children have died from furniture tipover.

To reduce the risk of furniture tipover:

1. ALWAYS install Anti-tip device provided.
2. NEVER put TV on this product.
3. NEVER allow children to stand, climb, or hang on any drawers, doors, or shelves.
4. NEVER open more than one drawer at a time.
5. DO NOT defeat or remove the drawer interlock system; it is an important stability and safety system.
6. Place heaviest items in the lowest drawers.
7. DO NOT remove the interlock system except for maintenance as shown. NEVER use the unit without the interlock installed following the instructions.

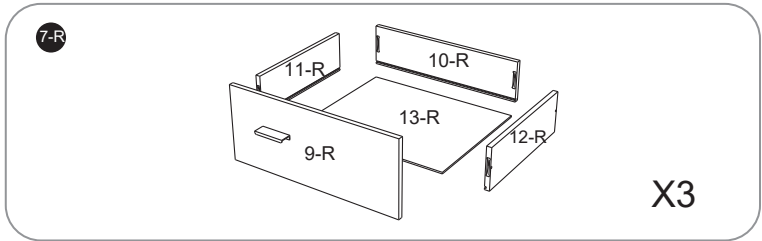

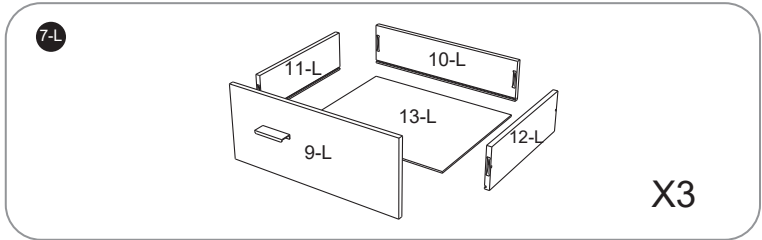

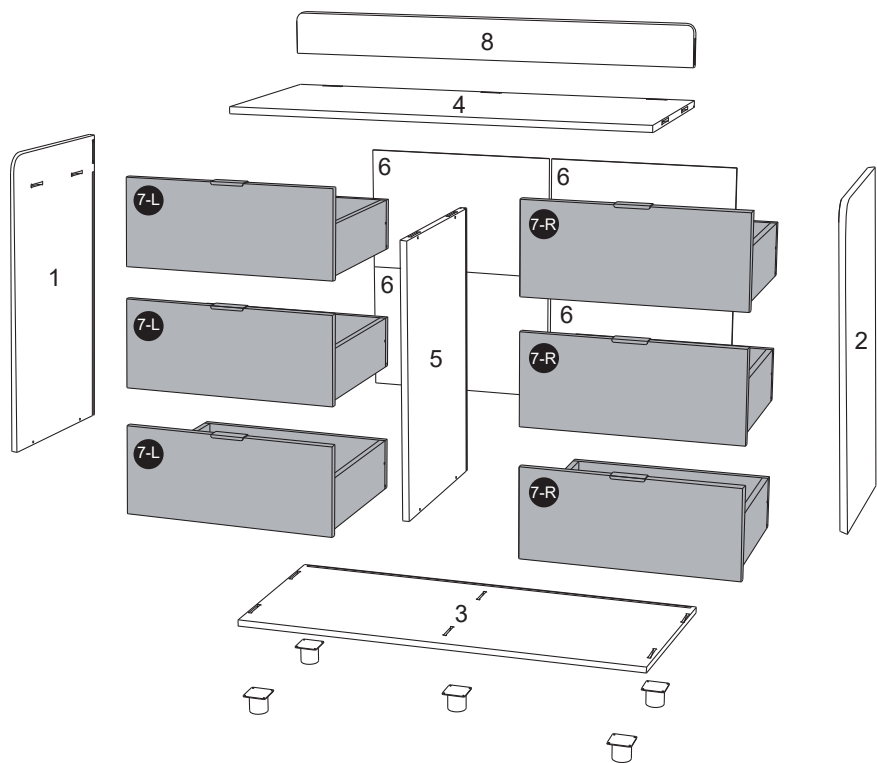

PLEASE READ THE FOLLOWING TERMS CAREFULLY

Cleaning and Maintenance

- 1.Wipe the surface regularly with a soft, dry cloth to keep the cabinet clean.
- 2.For stains, use a slightly damp cloth and wipe dry immediately.
Do not use abrasive cleaners, bleach, or solvent-based products, as they may damage the finish.
- 3.Avoid placing the furniture in direct sunlight, near heat sources, or in high humidity environments to prevent warping, discoloration, or cracking of the wood.
- 4.Periodically check that all hardware and fasteners remain secure.
Tighten if necessary.
- 5.Do not overload the cabinet or concentrate heavy items in one area.
Always follow the recommended weight limits.

LAMELLO INSTALLATION INSTRUCTIONS

ASSEMBLY INSTRUCTIONS

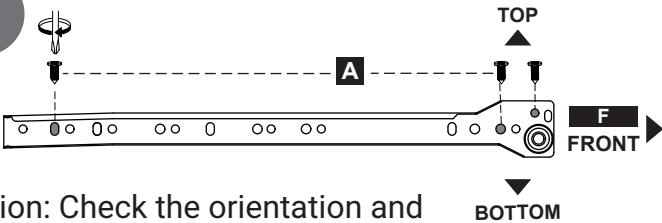

- 1

Install drawer slide F on board 1 and board 2.

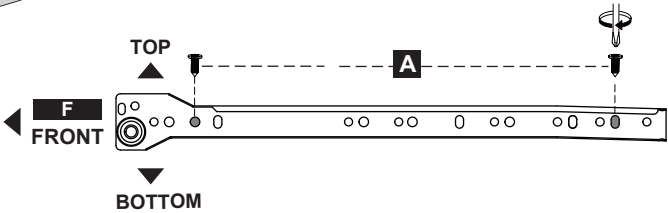

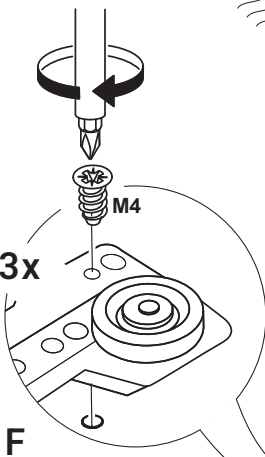

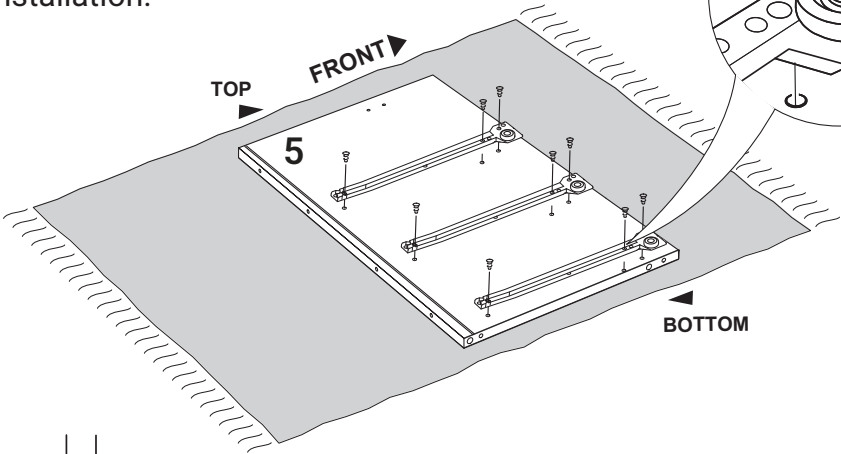

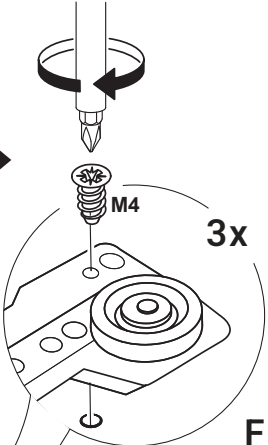

ASSEMBLY INSTRUCTIONS

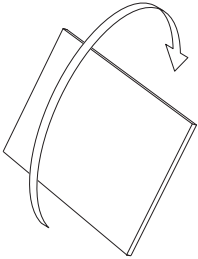

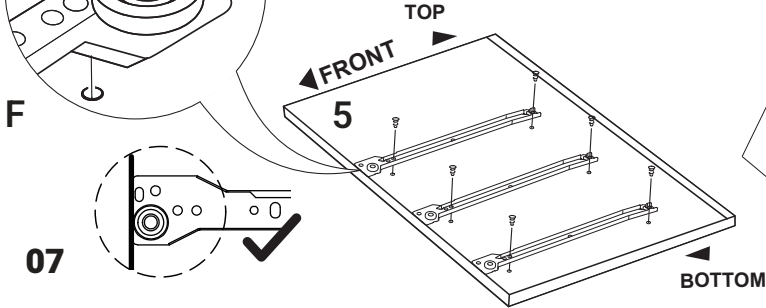

2

Caution: Check the orientation and position of the drawer slide before installation.

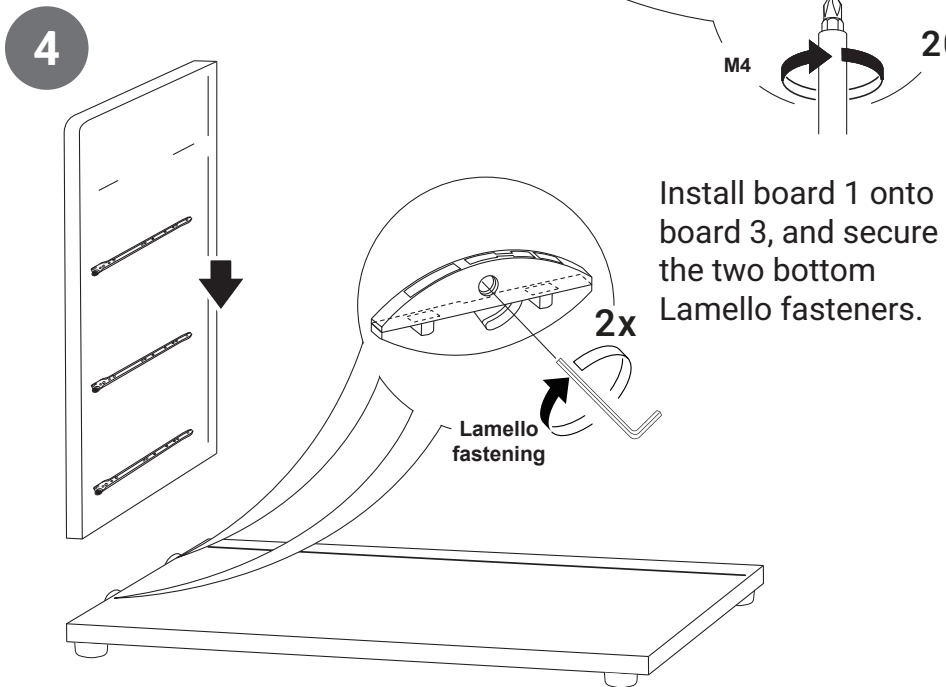

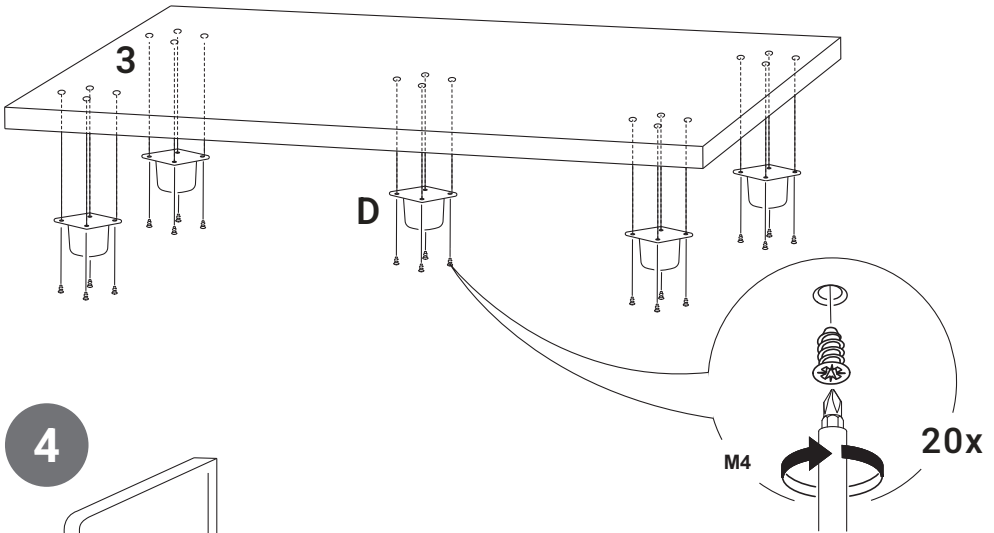

Caution: Check the orientation and position of the drawer slide before installation.

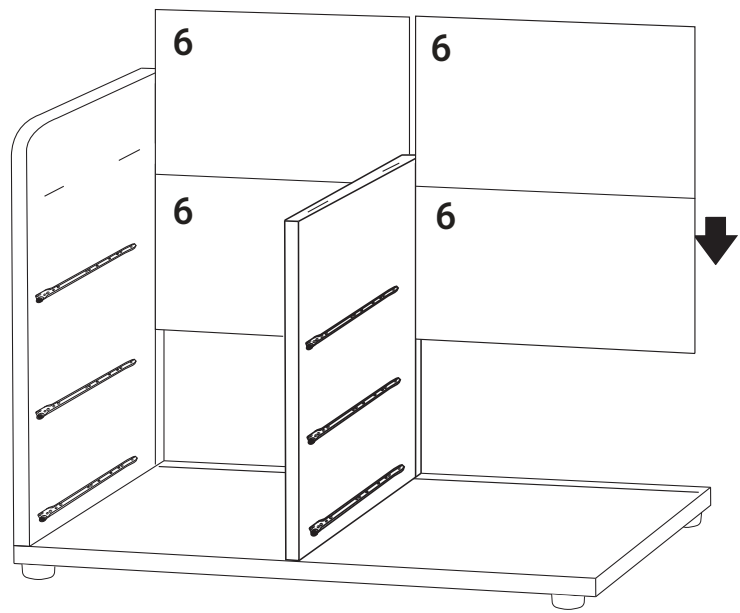

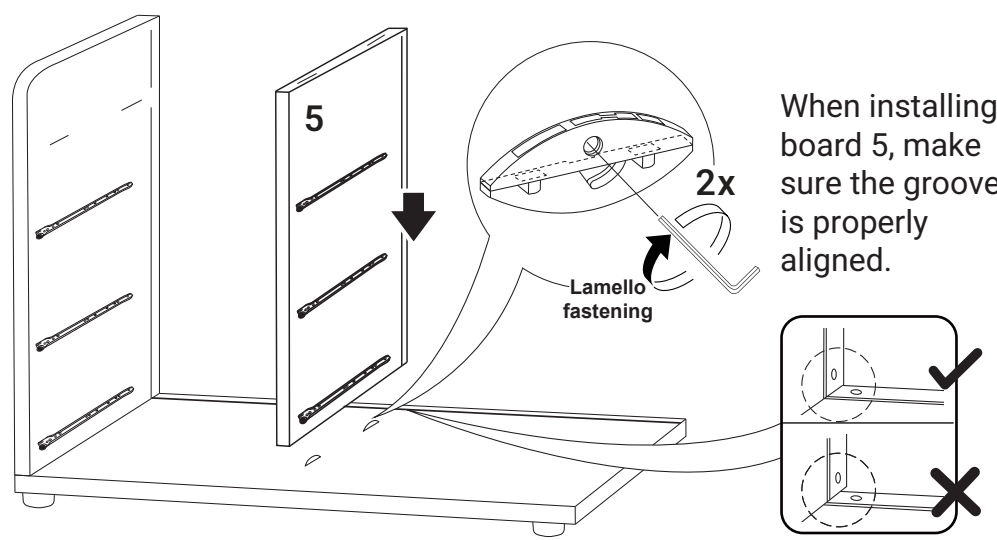

ASSEMBLY INSTRUCTIONS

- 3** Attach the five metal feet E to board 3. (Rotating the metal feet adjusts their height. Please ensure the height of the center foot does not exceed that of the four perimeter feet.)

ASSEMBLY INSTRUCTIONS

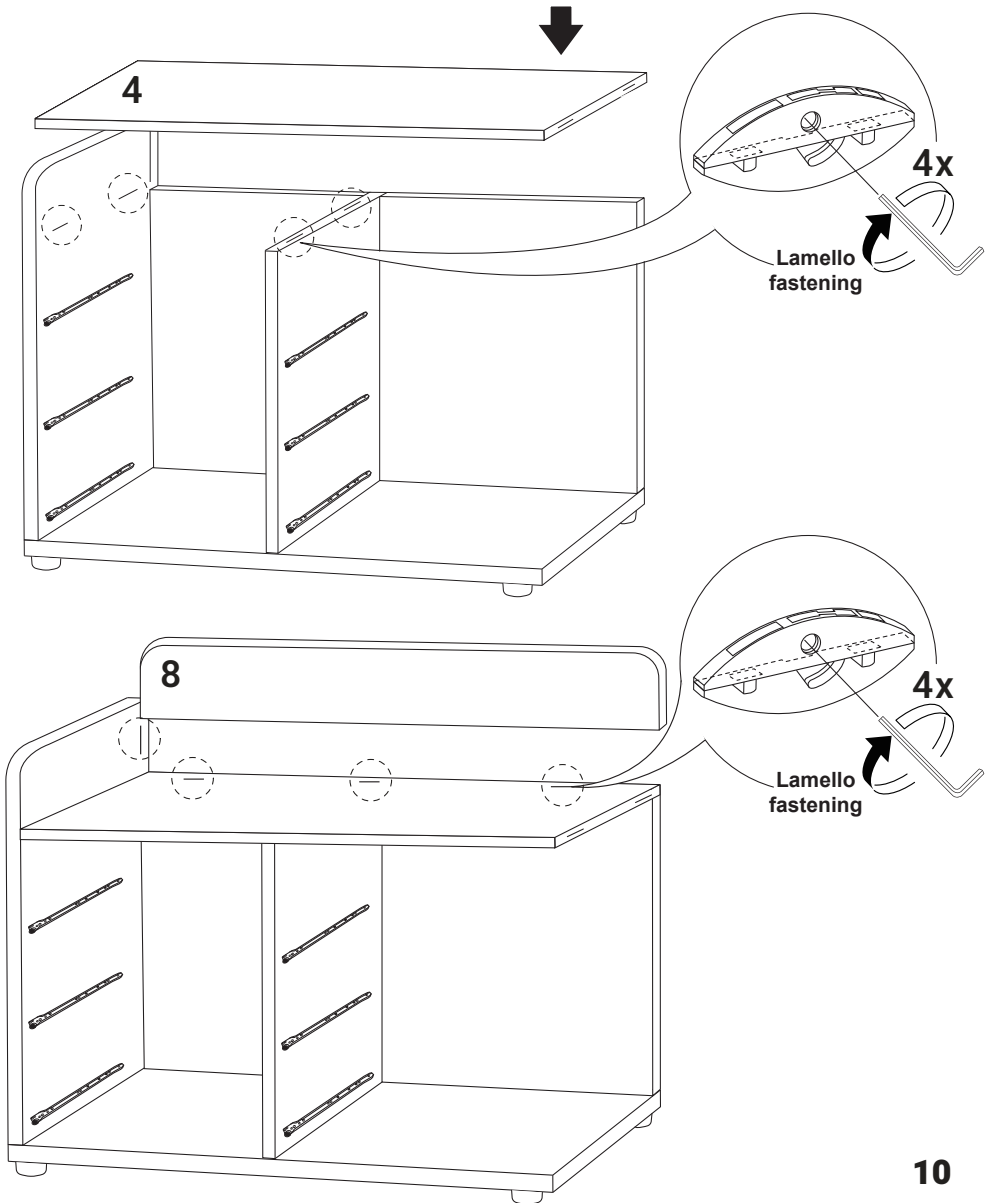

- 5** Install board 5 onto board 3, and secure the two bottom Lamello fasteners. Then insert the four back boards 6 into the grooves at the rear of the cabinet.

ASSEMBLY INSTRUCTIONS

6

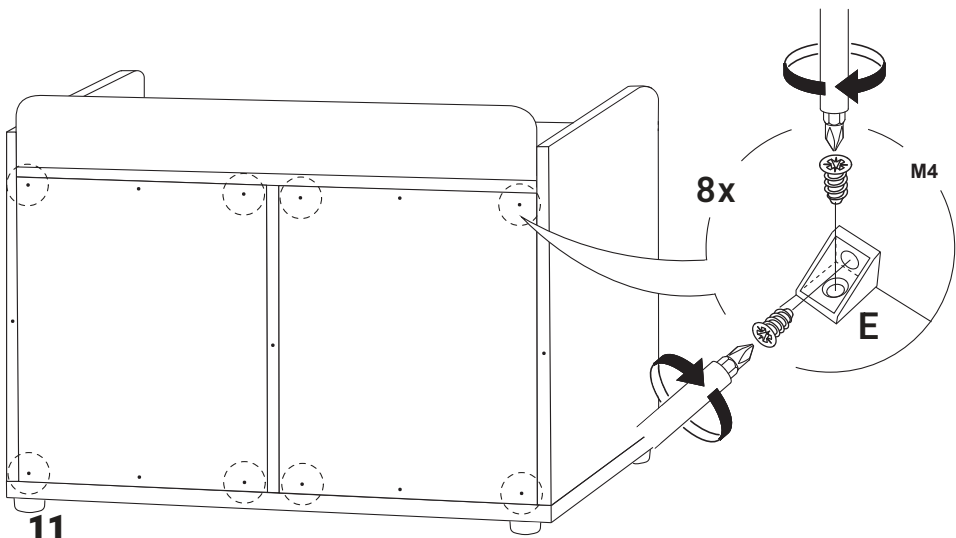

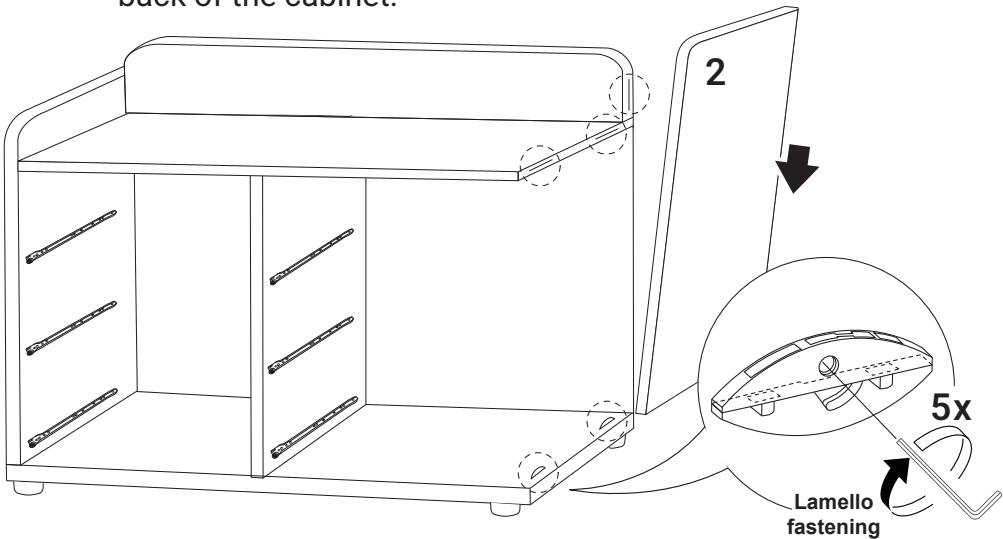

Install board 4 onto top of the cabinet, and secure the four bottom Lamello fasteners. Then install board 8 onto board 4, and secure the four bottom Lamello fasteners.

ASSEMBLY INSTRUCTIONS

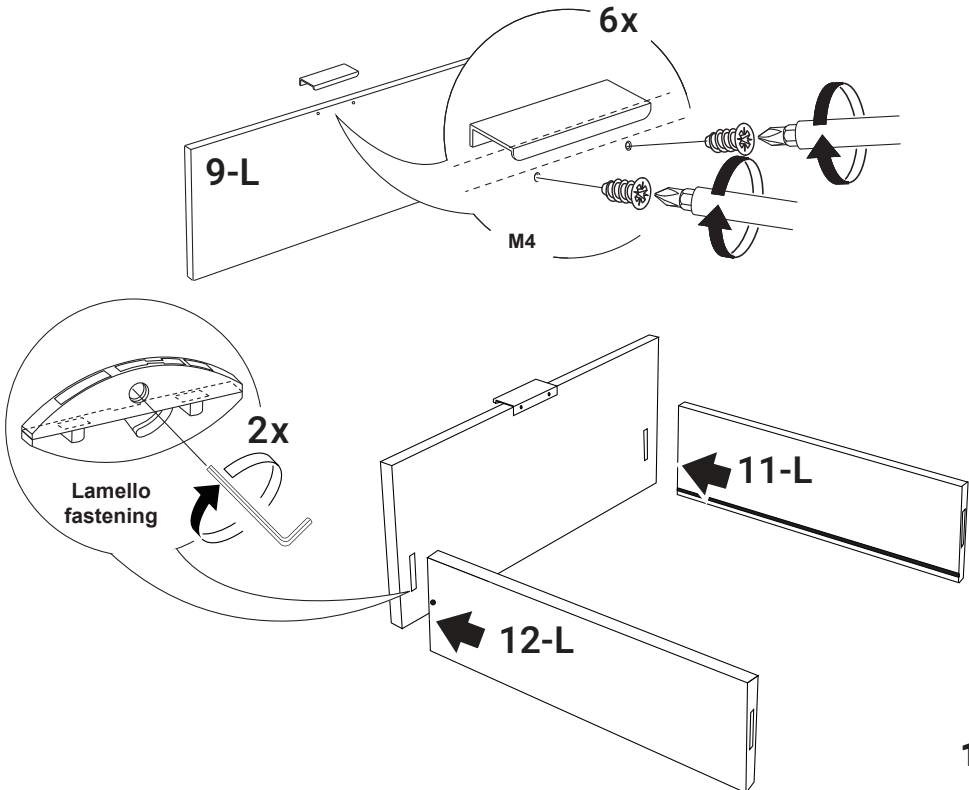

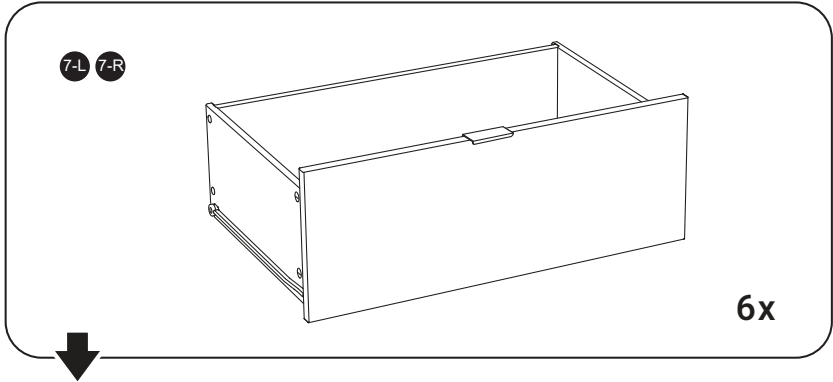

7

Install board 2 onto the cabinet, and secure the five bottom Lamello fasteners. Then lock eight reinforcement parts at the back of the cabinet.

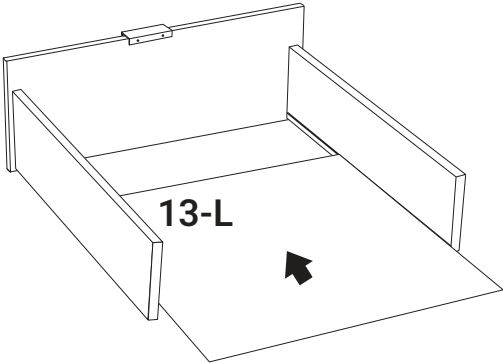

8

Attach handle D to board 9-L using two screws, and then install board 11-L/12-L onto board 9-L, and secure the two bottom Lamello fasteners.

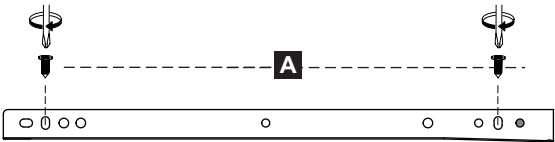

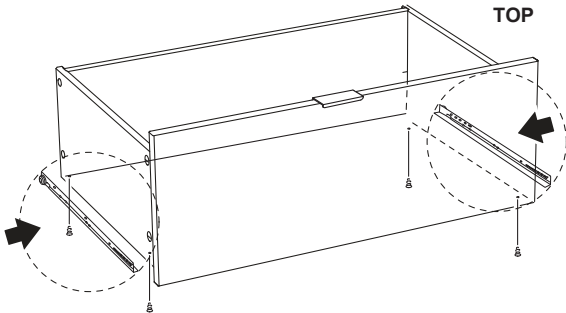

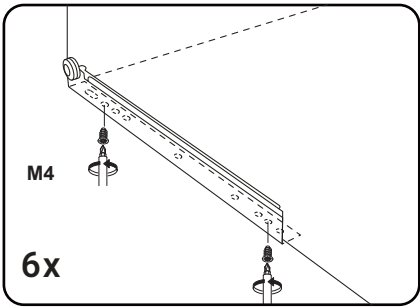

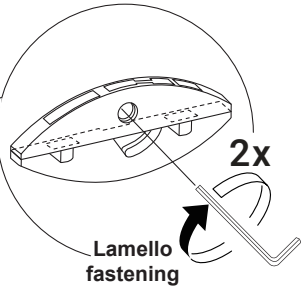

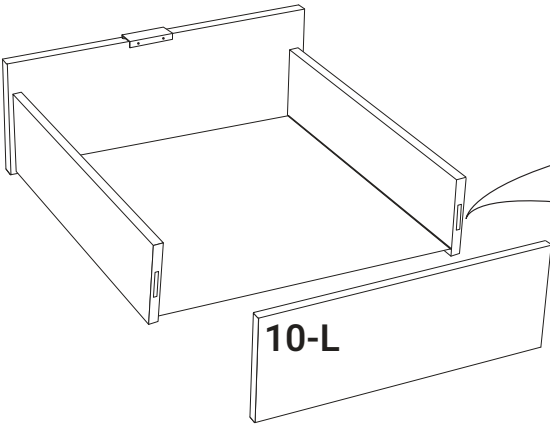

ASSEMBLY INSTRUCTIONS

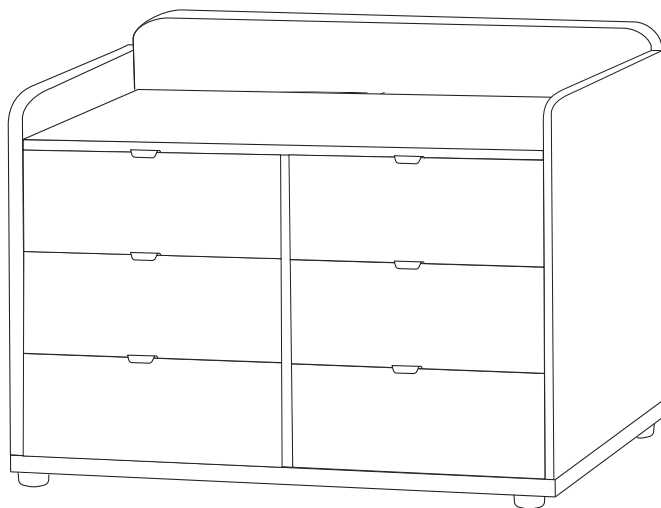

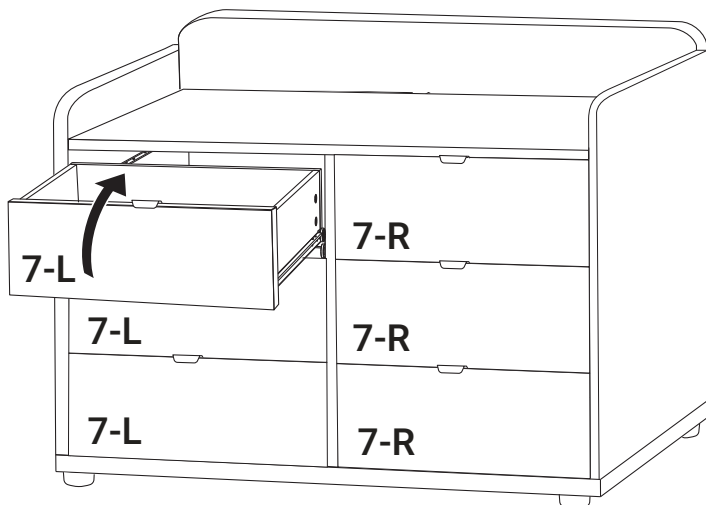

9

Insert board 13-L into the drawer. Then install board 10-L, and secure the two bottom Lamello fasteners. Attach the drawer slide G to the bottom of the drawer.

After installing all 6 drawers,place them into the cabinet in order (please put all drawers marked with an L on the left side of the cabinet, and all drawers marked with an R on the right side of the cabinet).

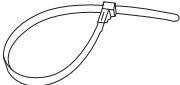

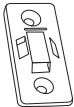

Mandatory!

For safety reasons,we recommend you follow these instructions to install the anti-tipping hardware,when installed properly,this hardware may prevent the unit from tipping unexpectedly.
