Unhatched 6

D2818S56345-4751

Unhatched is a six-piece series of scientific illustrations on textured paper that reference the style of F.O. Morris's 19th century work. In Unhatched 6, three bird eggs are beautifully set against an antique white background. A color palette of dark browns, hemlock, smokey blues, and stone add a sense of depth and dimensionality. Part of the carefully curated ART by TA Collection, Unhatched 6 is an exquisite work of art on textured paper.
