

Instruction

BATTERY OPERATED WITH ELECTRIC OPTION

INSTALL BATTERIES

1. Need a screw driver to install. 4 AA batteries will provide you with a beautiful table light.
2. Take the product out of the box.
3. Pull off the battery compartment cover with cross screwdriver and insert **4 "AA"** alkaline batteries (not included) into the battery compartment.

INSTALL ELECTRIC ADAPTOR

1. Remove rubber cap from the adaptor plug on the base of the tree.
2. Connect **6VDC 3.6W** adaptor (only for indoor use).

NOTE: When using the electric adaptor the tree can not be used outdoors and the timer function is restart timer.

USE

1. Press the ON / OFF / TIMER switch (I = **ON** O = **OFF** II = **TIMER**) on the base of the tree to operate the lights.
2. Press the switch to **TIMER** if you want the lights to come on each day.
The lights will glow for 6 hours then automatically go off, then the next day they will come on and go off at the exact same time you set them for. It is **6 hours on, 18 hours off**.
3. Press the switch to **ON** to turn the lights on manually.
4. Available to DIY the branch shape according to your own demand.

IMPORTANT SAFETY INSTRUCTIONS

1. Please read and follow all instructions and warnings both on the instructions and on the product carefully before use.
2. Retain these instructions for future reference.
3. This product is to be used only as intended its use.
